WOMEN ARE WEARING MEN'S PYJAMAS AS BEING MORE SUITABLE

NEW YORK, Oct. 4.—(By Canadian Press).—The purchase of men's pyjamas by young women has become an important factor in the pyjama business, according to the general sales manager of a New York nightwear concern. He said that young women were buying men's pyjamas because the garments were ideal for lounging and smoking purposes.

"The feminine demand for men's pyjamas is especially noticeable in towns where young women's colleges are located," the sales manager continued. "The trend is country-wide in scope, however. The situation has reached the point where manufacturers are producing men's pyjamas in colors which are especially designed to please women purchasers. For example, pyjamas are being made in black and white vogue in women's apparel. One model for the fall has a black collar, black facing and a black belt.

Pittsburg—P. Waner lined out to Meusel. Wright singled into right. Traynor singled over second, Wright halting at second. The game was halted and Manager Huggins pulled Hoyt out, substituting Moore. Grantham forced Traynor, Gehrig to Koenig, Wright taking third. Wright scored on Harris' single to centre, Grantham going to third. Smith went out to Gehrig unassisted.
