AT FIRST UNITED CHURCH

Native Youth Fellowship to meet Friday afternoon

The newly-organized Native Youth Fellowship will hold a meeting at the First United Church hall at 4 p.m. Friday, November 23.

Two weeks ago, 40 young people met for a social evening, and they have had one organizational meeting besides this.

Harry Gonu was appointed chairman and Evans Morven, secretary, and Audrey Crosby, social convener. However, it was reported by Rev. Dr. R. W. K. Elliott that the group has not yet formally organized and selects a chairman for each meeting.

The membership of the organization is primarily for young Natives whose ages range from 16 to 25 years. They will hold discussions and debates, have special speakers and hold social gatherings.

The purpose of the club is to promote a more vigorous and appreciative reappraisal of the ancient customs, heritage and culture of the Indian race, to recognize the problems which confront the Indian in the difficult phase of entering the predominantly white society and to reawaken racial self-identity.

At the meeting Friday afternoon, a film "People of the Skeena" and a new film on modern day fishing will be seen.

All young Native persons in this age range are invited to attend the first full meeting of study and discussion.

The Royal Canadian Navy has agreed to donate the trophy for the cadet tri-service rifle shoot. The Squadron Father and Son banquet will be held in February. Air Cadet Week will be observed across Canada the week of April 21, with church parade on April 27.

The meeting agreed that more fathers of cadets are needed at the committee meetings which are held the third Monday of every month.

MEXICO — For the past 12 consecutive years UNICEF greeting cards have been on sale the world over to help children like Pequita live a healthy useful life. Without the funds from UNICEF, the world wide children's emergency fund, this little Mexican girl would go without medical attention and eventually die of malnutrition. In 1961 21 million UNICEF greeting cards were sold in 100 countries with two million being sold in Canada alone. This year UNICEF hopes to sell two and one half million greeting cards in Canada to further this useful work throughout the underdeveloped countries of the world. Greeting cards may be purchased through any United Nations Association office or by writing to UNICEF, Box 2187, Toronto.
