Carefully Sorted

THE family bundle is immediately sorted in our plant into its different fabrics and colorings. In this way we are able to use the proper wash room formula for each kind of material in your washing. Possibly this is one of the main reasons why laundry-washed clothes last longer.

THREE YEARS IN REFORM SCHOOL

Fourteen-Year-Old Boy, Charged With a Number of Offences, Sent Down by Magistrate

Pleading guilty to charges of breaking and entering and stealing money and jewellery as well as of another of unlawfully removing an automobile, a fourteen year old boy was sent down by Magistrate McClymont in city police court this morning to industrial school for three years.

The house entered by the boy was that of Mrs. A. B. Lizney, Sixth Avenue East, who reported her loss to the police a few days' ago. The car the boy took was that of Earl Barrie in which he was found about 1.30 Monday morning by the police at the end of the Kaien Island Highway. The boy had his boots off and apparently intended to sleep in the car. The jewellery that he had stolen from Mrs. Lizney's house, the boy stated, he had thrown away. The police have not yet been able to recover it.

There was another charge against the boy, to which he pleaded not guilty, of stealing a purse, containing money, checks and jewellery, from Miss Jean Bailey.
