## COMPLETION OF RAGGED BIT OF SECTION ONE GRADING IS STILL LEFT IN ABEYANCE

In the matter of the completion of the grading of section one discussion took place at Monday night's meeting of the city council. A report from the city engineer was presented, specifying what remained to be done, and asking the council for a policy, when he might proceed along the lines suggested. Some of the aldermen thought the matter ought to be referred back to the city engineer for a further report. The mayor thought it better for the city engineer to get the opinion of the council right away on the matter.

## DRINKING TROUGH FOR "ZOO" TO BE PROVIDED BY THE CITY

Quite a little excitement occurred at the meeting of the city council Monday evening, upon the report of the park commission favoring the placing of a water trough in the park at Acropolis Hill for the benefit of the little deer, that is eating out its heart, through lack of companionship, in its lonely grandeur in our city park on Acropolis Hill.

## EMPEROR WILLIAM IS UP AGAIN

Zurich, Sept. 11.—Emperor William arrived here this evening from Berlin to attend the Swiss manoeuvres, which begin soon. His Majesty was received at the station by Dr. L. Ferrer, president of the federal council, a delegation of the federal council, high military officials and the local authorities. Then His Majesty was driven to the celebrated Villa Wesendonck, at one time the residence of Richard Wagner.

## ORIENTAL UP ON VAG CHARGE

In the police court yesterday morning before his worship Magistrate Carss, a Japanese, up on a charge of vagrancy, was given until Saturday to leave the city, or serve a term of imprisonment. A denizen of Comox avenue was fined \$25 and costs on a charge of running a disorderly house.

## CIVIC FINANCES AGAIN

A change of policy was taken at Monday night's meeting of the city council in regard to the purchase of the short term debentures from the sinking fund in stead of the long term ones. The mayor, in view of the pressing needs of the city in regard to money matters and after consulting with the city clerk, advised this course. The motion of last week, was rescinded and action along the lines of selling the debentures was decided upon.

Lawyer—A satirist has said that a consulting physician is one who is called in at the last minute to share the blame. Dissatisfied Heir—To share the estate, would be better.

Ana 99 out of every 100 unprejudiced people will tell you THE DAILY NEWS is the home paper of Prince Rupert. . . . .

Advertisers also tell us and will tell you that results obtained from publicity carried in the columns of this paper have exceeded by far those obtained through any other newspaper published in Prince Rupert

The successful business man today is the one who advertises judiciously, who chooses the medium most generally read by citizens of a community; a business man who does not look upon an expenditure for advertising as an expense, but, on the contrary, as an investment. This type of business man you will generally find in the front ranks of his profession, turning his dollars daily and moving his goods rapidly—and all through the liberal use of newspaper publicity.

Try advertising as an investment, if only for a short time, and watch your business grow.
