MEN WHO ARE INTIMATE FRIENDS OF KING GEORGE V FORM HIS TEA-TABLE CABINET

FING GEORGE V in fond of master of the original baronet. | the scene of elaborate party re-Stoner-Usher to Victoria. the navy and of naval men. He loves to be called the "Sea Sir Charles Cust, most powerfully personal aide-de-camp. King." Sir Charles Cust spent influences King George, is a man the best years of his life in the who is seldom heard of and is navy and cultivated many of the strong, bluff virtues that King known to but few outside of the royal circle. He is the Hon. George admires. Eventually he Henry Julian Stoner, familiarly became commander of the royal yacht and equerry to the King, known as Harry Stoner, groomthen Prince of Wales. For six- in-waiting and gentleman usher teen years he was in personal at- to Queen Victoria, and he has been in attendance upon King tendance on him and when his George for the past eleven years. royal patron ascended the throne The duties of groom-in-waiting he continued in the same position. Besides their common afand gentleman usher are not well defined, and it is difficult to give fection for the sea, the two have an idea of Harry Stoner's posiother bonds. King George is tion at court. Probably it is best splendid shot-one of the best in described by saying that King England. Sir Charles has often George, wishing to have his
