School band presents concert

A varied well-rounded program of well-known numbers was presented by the symphony band of the Prince Rupert high schools at Booth Memorial Junior Secondary school Wednesday night.

The band was led by Stan Marechek, who played four violin solos and accompanied the instrumental soloists on the piano.

In the second part of the program he played "Romanza Andaluza" by Pablo de Sarasate "Hora Staccato" by Denicu, accompanied by Alison Newton.

Karin Rauschenberger played Bach's "Sonata" and "Berceuse" from "Jocelyn" on the flute, and David Bell played "Two Guitars" on the trumpet. The last number was arranged by Mr. Marechek for the trumpet.

WEEKLY SERMON

"THE SEASON OF ADVENT" By DEAN G. T. PATTISON

During the season of Advent the church reminds us of two things; one the approximate coming of Christ the Child and Saviour at his incarnation at Christmas, and the second the final coming of Christ as king and judge at the end of the world. Advent is a joyous time in our anticipation of Christmas, but it is also a very solemn time as we reflect upon the Last Judgment. We love the former because we can share in the children's happiness and joy, but too often we are childish in our approach to the latter.

I am reminded of the pathetic scene where our Lord stands over against Jerusalem. Jerusalem for the Jew was more than a city: it was a symbol. It was the "Holy City" the City of God. What possibilities there were for this great city. She had rejected some of the prophets, and refused to believe that Jesus Christ was the Messiah. On Palm Sunday they threw their clothes on the ground before him, and five days later they would crucify him. He had come down to the city asking for a verdict, but its sight moved him to tears.

The history of his people came before him. He saw the spiritual glory and yet so much spiritual sham . . . so much possibility and so little of realization! He burst into tears and said: "If only you had known the things that are really for your good . . . but your eyes are closed to them . . . destruction is coming upon you . . . you did not know the day of your visitation." In 70 A.D. the vision was a horrible reality.

So few believed that it was possible. Jerusalem the Holy City destroyed? Surely not. God would not allow it. But God did allow it. Why? Because God gives us our freedom to choose, always — but he can't give us the freedom to escape the results of our decision. The Christian gospel is a message of peace and comfort to those who hear it and accept the Lord whom it reveals. It is also a message of disturbance and terror to those who ignore or reject it. Pascal said: "When men will listen no longer to the Truth, then Truth will speak immediately to men."

I sincerely hope that the Advent season for you will be a very happy one as you prepare materially and spiritually for the birthday of Our Lord. And that your welcome of Jesus Christ into your heart by personal faith will not only bring real joy in all your festivities, but prepare you for His return, as your King to give you the Crown of Life.

I'VE FOUND THE MARGARINE that's ideal for modern diets! FLEISCHMANN'S 100% Corn Oil Margarine is made *only* from pure corn oil, and it contains almost a full cup of liquid corn oil per pound. Low in saturated fats, high in polyunsaturates . . . in fact, of all leading margarines, Fleischmann's has the highest ratio of polyunsaturates to saturated fats. That's why it's ideal for modern diets. Ask your doctor about its benefits. As for flavor, I've found that Fleischmann's has a delicate, luxurious taste—so good you'll be surprised to learn it's margarine! Note to busy home-makers: Fleischmann's always spreads easily, even when it's just out of the refrigerator.

WANT A WASH AS FRESH and soft as a Spring breeze? Believe me, it's easy with CALGON, the wonder water conditioner.
