"WHY THE LAUNDRY SHOULD DO MY WASHING"

"I am a happy wife. I am a happy mother. I send my washing to the laundry.

"Gone are the hours of stooping over a steaming wash tub. Gone is the aching back and the rough, chapped hands and brittle nails caused by plunging the hands into hot and cold water and by hanging the family wash out in the wind. Gone are the evenings of morose silence in our family sitting room because it was wash day and mother is too tired to speak a pleasant word.

"The laundry gives me more hours for mothering. I have two children of preschool age, the most impressionable time in their lives, who need every spare moment for supervision and organized play that a mother can possibly give. I have more hours for pleasant social activities and community work. I let the laundry be the drudge.

"Laundry service is cheaper. Counting the labor of the wife at even twenty-five cents per hour, or the wage per hour of the laundress plus the inconvenience and expense incurred by her, plus materials and depreciation of equipment, there can be no doubt of it.

"The laundry saves time, saves health, saves money, saves clothes. Those reasons should be sufficient to convince the housewife that her laundry is a community blessing."

Won by Mrs. A. W. Thomas, West Allis, Milwaukee, Wisconsin.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of that Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free, permits are available for settlers, campers and travellers, up to ten head.
