VICTORIA BEAT SEATTLE HOCKEY

SEATTLE, Dec. 22.—The Victoria Cubs were responsible for Seattle's third straight defeat in the Pacific Coast Hockey League, when they won a 5 to 2 victory over the Eskimos last night. The Cubs also bumped the locals out of second place in the league standing. The Eskimos were severely handicapped by injuries and sickness and after fighting a hard first half game they wilted under the fast pace set by the Victorians. Each team scored a tally in the first period. The Cubs took the lead in the second by scoring another and in the final session added three more. The Eskimos also countered another in the third.

Oliver Redpath, Victoria defence man, was given a match penalty when he slashed young Smokey Harris across the head. He was off for the balance of the game, twenty minutes, and cannot play in the next match on Victoria ice.
