LEAGUE LEADER IS WELL AHEAD

IN EACH OF THE LEAGUES TOP TEAM HAS LITTLE BREATHING SPACE

NEW YORK, Aug. 28.—St. Louis Cardinals and New York Yankees at last can take time for breath without endangering their respective leaderships.

Bolstered by the return of Jim Bottomley, who totes a powerful bat, the Cardinals have won four straight games and lead the National by four games.

A double-barrelled triumph over Detroit put the Yankees four full games ahead of the idle Athletics.

The race is so close in the National League that the Pirates, who have won 36 of the last fifty games, are in fifth place, two and a half games behind the Giants in second place and six and a half games behind the Cardinals. Chicago is third and Cincinnati fourth.

BASEBALL AND FOOTBALL AT FAIR ASSURED

NUMBER OF NATIVE TEAMS ENTERED TO COMPETE FOR CUPS

The Fair Board are gratified at the splendid response shown by the Indian football and baseball teams in the district to enter the competions for the two cups which are played for annually. The present holders of the football cup is the Kispiox team and no doubt they will strenuously fight to retain it for another year. The winners of baseball cup last year was Kincolith and they will have to play good ball to hold the trophy this year, for there are several native teams that are coming here to contest for its possession. Among these that will be here during fair week are teams from Greenville, Port Simpson, Kincolith, Kispiox, and Kitimat, and it is reported that a strong team from the Skeena will be entering as aspirants for the football cup. The natives are great lovers of sport and this year will be one of real enthusiasm as they wrestle for the cups during Exhibition week.

ROVERS LEAD IN LACROSSE

NOW THREE GAMES UP AS A RESULT OF 6 TO 3 WIN OVER RANGERS LAST EVENING

Rovers defeated Rangers 6 to 3 in the Junior Lacrosse League last night and are now three games up in the standing.

Joe Gillis of the Rovers, as usual, had things prtty well his own way, playing a fine game. The Rangers introduced four new players—Wilson brothers, Yager and J. Morrison. With practice, these boys should be heard from favorably.

Scores of the game were:

Rovers—Unger 4, J. Gills 1, Earl Gordon 1.

Rangers—Woods 1, R. Gillis 1, Calderone 1.

R. S. Woods acted as referee.

SPORT CHAT

Sport should not consist of winning trophies. The tendency to consider a game not worth playing because a trophy cannot be won is a tendency that will surely kill sport. Every game depends first of all on itself for its success. The bearing it has on a competition should be a minor consideration and should not affect the keenness of the game. The players should play to their limit whether they have a chance of winning a competition or not. Otherwise sport becomes a degrading struggle for trophies and can on longer be called sport.

From the player's point of view just as much exercise and, therefore satisfaction is derived from a game that has no bearing on the championship as from a deciding game. Every player has a pride in trying to beat his opponent irrespective of the general result of the competition. This is the cardinal feature of sport.

The same applies from the spectator's point of view. He is out to see the particular game first of all . The many struggles throughout the game appeal to him. Each player's success or failure interests him and he enjoys the game as it proposes. And it must be remembered that games are no played primarily for the enjoyment of spectators but for the exercise of those participating. The ideal sport situation is one where there are no spectators because all are busy playing This requires unlimited playing space and would not take note of the fact that with increasing age—and its attendant increases in girth and weight—the older ones cannot partake in violent exercise and therefore perforce spectators.
