Rupert synchronized swimmers cop seven awards at Vancouver

Stiff competition from Washington, Alberta and other British Columbia points failed to quell the eagerness of the Prince Rupert synchronized swimming team at Vancouver as they came through with an excellent showing.

Against the strong opposition of 36 more experienced teams, the local girls copped seven awards in the B.C. Championships.

The team number "West Point ing display of precision. Colleen March" won second in an amaz- Hogan and Alison Large's duet proved one of the hits of the meet as they garnered third prize.

In the strokes and figures event, Maureen Hampton came on to take third place out of a total of 125 girls. Beth Fields and Alison Large also finished well up in the standings of this event as they came fourth and sixth respectively.

The girls had solo numbers down pat also as Alison Large grabbed third and Colleen Hogan took fourth.

Coach Lenore Gilchrist praised her team highly and predicted even greater things for the girls after another year's experience in synchronized swimming.

Coach Gilchrist remained in Vancouver to attend a coach's clinic yesterday while members of the team returned home.

Top women shuttlers off to big US event

By DENNIS ORCHARD

VANCOUVER (CP) — Canada declared its badminton champions Saturday and sent its top women performers to Massachusetts Sunday for a crack at the Uber Cup.

The six-member team used the Dominion championships here as a warmup for their play in Boston, where the United States will defend badminton's equivalent to the Davis Cup of tennis. The six are Marjorie Shedd, Dorothy Tinline and Sharon Whittaker of Toronto, Patricia Espley and Mrs. Joan Miller of Montreal, and Beverly Chittick of Windsor, Ont.

Canada has never won a Uber title, but Canadian Badminton Association officials rate this year's group the strongest yet.

Miss Shedd captured her sixth singles title here and teamed with Miss Tinline to win a three-game struggle against Mrs. Miller and Miss Chittick for the doubles crown.

Miss Shedd also figured in the closed mixed doubles championship, and Miss Chittick helped win the junior women's doubles.

KOP STARS

Three open and 11 closed titles were decided Saturday. Visiting world champion Erland Kops, 26, dominated the open events. Five titles went to Eastern Canada, six to the West.

INJURY-RIDDLED HAWKS TRIMMED 4-2

Wings still in there fighting as Gordie Howe shows 'em how

By JACK SULLIVAN
Canadian Press Sports Editor

DETROIT (CP) — Eric Nesterenko had ideas of celebrating Gordie Howe's 34th birthday with the incomparable Detroit right-winger at Olympia Stadium Sunday night. But he got lost in the shuffle.

Howe deked Nester almost out of his Chicago Black Hawk uniform and put the Wings right back into the Stanley Cup semi-finals. When the celebrating was over, the Wings had won their first game of the best-of-seven series 4-2 and Howe had one of his finest hours.

The injury-crippled Hawks, who had won the first two games on home ice by 5-4 and 5-2 scores last Tuesday and Thursday, meet the Red Wings again here Tuesday night and a fifth contest is set for Thursday at Chicago.

The Hawks played without three regulars Sunday, left wingers Bobby Hull and Rod Murphy and defenceman Al MacNeil.

Hull, the Hawk's big scoring gun, suffered a broken nose in the second game. Murphy is in hospital with an infected ankle cut and MacNeil is recuperating from two cracked ribs.

HULL SAID OUT

Hull has an appointment with a Chicago doctor Tuesday morning and coach Rudy Pilous says "he definitely will not play" that night.

Murphy likely will miss the full series and MacNeil is a possible starter in the fourth game if he responds to treatment.

Nesterenko assigned by Pilous to escort Howe, in the first two games followed him round like a process server. But Gordie showed 13,241 hometown fans Sunday that no one can touch him when he is at his best.

'Just one of those years' says Hab coach Blake

By BRUCE STOVEL

MONTREAL (CP) — Montreal Canadiens scored more goals than any other team in the National Hockey League this season, but you'd never know it from their post-season performance.

Toronto Maple Leafs have taken a 3-0 stranglehold on their Stanley Cup semi-final series with Canadiens, keeping Canadiens to only three goals in the process.

"I just wish somebody would tell me what it is," moaned Montreal coach Toe Blake Sunday.

"Their goalie hasn't been that good. I guess you have to credit it to their checking. Leafs are basically a defnsive team. Canadiens suffered a 2-0 shutout here Saturday night in what Toronto coach Punch Imlach called Leafs' second-best checking game of the season.

"It's just been one of those years, I guess," said Blake. consistent. We tied 23 games in the season and didn't lose two "We've been everything else but in a row. Now we go and lose three straight."

COULDN'T BE HURT

Canadien were given a day off Sunday. Blake said the team had come through Saturday night's game without an injury. "With the game they played, how could anybody get hurt?

"I don't have much to say after we get shut out on our own rink, and in a playoff game.

"But the series is four-out-of-seven, and if we want to win enough, we can. It's up to the players."

The fourth game is here Tuesday.

Remember when . . ?

The Stanley Cup series between Montreal Canadiens and Seattle was called off 44 years ago today when an influenza epidemic hit the Canadiens camp. With the deciding game to be played at Seattle, five Canadiens were taken to hospital and defenceman Joe Hall died of the disease within a few days.

VANCOUVER (CP) — The city prosecutor's office has adopted a get-tough policy aimed at curbing an alarming rise in the number of drinking drivers since the beginning of 1963. Under a new procedure, charges against repeat offenders involved in serious cases will be proceeded with by indictment instead of summary conviction.
