Dry, Hacking Cough Was Caused By A Bronchial Cold

Mrs. A. Primeau, 36 Ingram St., Chatham, Ont., writes:—"I am pleased to take this opportunity of telling you of my experience with

Dr. Wood's Norway Pine Syrup

"Early last winter I suffered from a severe bronchial cold that left me with a provoking, dry, hacking cough. After being bothered with it, both day and night, for some time I had a professional nurse recommend the above cough syrup which I took with wonderful results, and, now, it is the only remedy I ever use for colds."

'BEN-HUR' FINAL TONIGHT

Greatest Picture of All Time Shows Last Time at Capitol

After a tremendous reception Monday and Tuesday by local picture lovers, the biggest picture of them all—"Ben-Hur" will close with tonight's show.

Monday afternoon, when a special matinee was held at 3.30 for boys and girls, the chariot race gave the kiddies a great thrill and their cheers could be heard a block away. Monday and Tuesday nights capacity audiences marvelled at the lavishness of the big production. The sea fight, in which the Romans are attacked by pirates, amazed everyone and many are still at a loss to know how such a scene was ever filmed.

Tonight's showing of this great masterpiece will give all who have not been able to see it, a final opportunity as well as those who have seen it once, a chance to enjoy this highly educational and entertaining photoplay a second time.
