MISSIONARIES DESCRIBE WORK

INTENSELY INTERESTING ILLUSTRATED ADDRESS BY BISHOP AND MRS. STRINGER LAST EVENING

There was a large and keenly attentive audience in St. Andrew's Anglican Cathedral hall last evening to hear an illustrated address by Rt. Rev. Isaac O. Stringer, Bishop of the Yukon, describing a trip which was made last year by the speaker down the Mackenzie River from Edmonton to its mouth and then twelve hundred miles along the Arctic coast and return. The address was illustrated with moving pictures which were taken by Bishop Stringer himself and the discourse proved intensely interesting. The address was under the auspices of the Women's Auxiliary to St. Andrew's Cathedral of which Mrs. Thomas Andrew is president.

General conditions and the life of the people, principally Eskimos, in that remote section of the continent were illustrated by word and picture, special reference being made to the missionary work of the Anglican Church, the only denomination carrying the Gospel Message into the region. The Bishop gave a splendid verbal description as the exhibition of the pictures proceeded; at different points, Mrs. Stringer, gave an account of the part she had played in the work. Bishop Stringer has been 36 years engaged in misionary work in the Far North and Mrs. Stringer thirty-two years so were both amply qualified to tell the story.

At the conclusion of the address, a hearty vote of thanks was passed to both Bishop and Mrs. tringer.

STEWART

Norman A. Watt, government agent, Prince Rupert, was a visitor here last week on business in connection with snow staking which took place in this district last winter and which is in contravention of the provincial Mineral Act.

A Labor Day dance was held here on Monday night in aid of the Stewart Hospital. Much mterest was taken in the raffle of 100 shares of Premier Mine stock.

Rev. Father Leray, O.M.I., is planning a brief trip to Prince Rupert in the near future.

Dr. and Mrs. James Robinson have moved into Premier where Dr. Robinson will take over the practice of Dr. J. H. Carson who is to locate in Prince Rupert.

SMITHERS

C. A. Banks, manager of the B.C. Silver Co. and a director of the Duthie Mines Ltd., paid a visit of inspection to the underground workings at Duthie last week.

Practically the entire population of Smithers went to Telkwa on Monday for the annual barbecue. There were also many visitors from Prince Rupert and other parts of the district. Horse racing was, as usual, the feature of the day.

The Tolmie provincial government has ordered that the Hagwilget high level bridge, closed by the old MacLean government, shall remain closed.

Dr. Vere Andrews, recently of Williams Lake, has arrived at Telkwa to take up medical practice at that point.

Alex. Anderson now has his brick plant on the road back of town under production. There are about 200,000 bricks in the first burning and they are of an excellent quality.

VANDERHOOF

A quiet but pretty wedding took place here last week at the home of Mr. and Mrs. Frank Bowman when their daughter, Margaret, was united in marriage to Victor Melville Morgan of Prince George. The ceremony was performed by Rev. L. J. Hales.

Exhibits of sheaf grain from this district are being sent to the Canadian National Exposition at Toronto.

A crew of some eighty men of the Canadian National Railways maintenance of way department is doing extensive gravelling and ballasting work between here and Smithers.

The death occurred in Vancouver last week of Jane, elder daughter of Mr. and Mrs. W. M. Blackstock who formerly lived in Vanderhoof, Mr. Blackstock having been manager of the local branc hof the Canadian Bank of Commerce.

For the first time in its history, all four rooms of the Vanderhoof Superior school were in use when schools opened this week.

Extensive improvements are being made to the United Church manse here, W. J. Bowman being in charge of the work.

Mr. and Mrs. E. A. Mitchell and their three daughters, Mrs. Gilbert Wilks, Miss Eileen Mitchell and Miss Muriel Mitchell, returned last week after making a trip to Vancouver over the Cariboo Highway.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emptions is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes and which is not timberland, i.e., carrying over 8,000 board feet per acre west of the Coast Range and 5,000 feet per acre east of the Range.

Applications for pre-emptions are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emptions must be occupied for five years and improvements made to value of $10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price for first-class (arable) land is $5 per acre, and second-class (grazing) land $2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment for stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 5 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partly free permits are available for settlers, campers and travellers, up to ten head.
