LACROSSE CHAMPIONSHIP OF THE WORLD WILL BE CONTESTED NEXT MONTH

New Westminster, Sept. 19.—The world's lacrosse championship for 1912 will be decided at the Provincial Exhibition in New Westminster on October 1st and 5th, when the New Westminster team, champions of the B. C. Lacrosse Association, and the Cornwall Club, champions of the N. L. U., battle for possession of the Minto cup, which carries with it the title of world champions. The cup was held by New Westminster for three years, going to Vancouver in 1911. The Salmon-bellies regained possession of the trophy this summer, and the Cornwalls, by virtue of their victories in the east, have come to the coast in an effort to carry off the silverware.

It was first arranged to play the Minto cup games in this city during the week preceding the big fair. The exhibition management, however, scented a big attraction and an offer to the clubs of \$7,000 for the two games

"JOE" TO FIGHT V. A. C. AMATEUR

It looks as though the proposed boxing contest between Ernie Barrieau, amateur lightweight weight champion of the Pacific Northwest, and Joe Bayley, of Victoria, champion of Canada, will take place on Thanksgiving Day in Victoria. The difficulties regarding the weight have been smoothed over by concessions from each side and now there remains only the actual signing of the articles to clinch the match.

Morris Condon, acting for Joe Bayley, offered to let Barrieau weigh in at 133 pounds at 7 o'clock on the evening of the contest, while Chet McIntyre, manager for Barrieau, held out for 6 o'clock. They finally compromised on 6:30 o'clock over the long distance telephone.

Mr. Condon will promote the bout in Victoria and just as soon as he completes the details at that end the articles will be signed. McIntyre wants a full month to put his protégé in shape for his professional debut and the holiday will probably be settled upon for the battle. Tremendous interest is being evinced in the bout by Vancouver fistic enthusiasts and it is altogether likely that a special boat will be chartered to take them over to the N.L.U.

Take notice that I, E. S. Wise, of Victoria, occupation farmer, intend to purchase the following described lands:

In the Highest Degree Profitable

Some men figure that as the mercury climbs up sales will fall down. And figuring that way, fate is kind and does not disappoint them.

So there has grown up a commercial superstition that Summer is a dull season.

No greater fallacy has ever gone so long unchallenged.

Summer is a dull season for many lines—but there is no fundamental reason why it should be.

For instance, take a typical case—that of the Canadian wallpaper manufacturers.

They wished to secure their placing orders from the retailers before the early Fall—when American lines are offered. Through education by Advertising, they advanced the season to start the middle of June, instead of the end of August, and they now beat their foreign competitors to the market by nearly three months.

Perhaps you face a selling problem that education by Advertising will solve. Perhaps your Summer business needs the tonic of Summer Advertising.

As the mercury climbs up to its highest degree, increase, rather than slacken, your Advertising and selling efforts. You will find it profitable—in the highest degree.

Advice regarding your advertising problems is available through any recognized Canadian advertising agency, or the Secretary of the Canadian Press Association, Room 503 Lumsden Building, Toronto. Enquiry involves no obligation on your part—so write, if interested.
