GOOD FOOTBALL IN TEST MATCH

BLACKS AND GREENS ACQUITTED THEMSELVES CREDITABLY IN GAME PREPARATORY TO H.M.S. DURBAN VISIT

The test match at the Acropolis Hill grounds last night between teams going under the nuames of Blacks and Greens the game being played for the purpose of trying out prospective members of a local soccer team which will meet an aggregation from H.M.S. Durban next month, was productive of some very good football at times. The score was one all. A good-sized crowd of fans was in attendance.

The first goal was made by A. Dickens, the pick of the forward line, for the Greens in the first half. Campbell had fisted the ball out but Dickens persisted and successfully headed it in.

The equalizing goal for the Blacks was made in the second half by A. Haddon from Wilson's centre.

For the Blacks, Campbell kept a good goal while Sammy Currie, at centre half, played a fine game with F. Russell and A. Haddon the best of the forward line.

For the Green, Ross played an effective game at back with Harris and Wood stars of the half backs.

W. E. Williscroft was referee while John Murray and Alex Haig presided on the side-lines.

Recently arrived English papers show that Hallows is leading in cricket averages in the English county games with 124.50; J. W. Hearne cames second with 118.50 and Dipper third with 98.50. Hallows got his high record by being not out in two games.

All England is talking about the new young cricket professional named Gibbons, who was at one time on the ground staff at Lord's. He has now qualified for Worcestershire. He made 100 against Kent at Worcester and followed up that with another 100 against Hampshire at Southampton. He made this second century out of a total of 145, and made them before luncheon. He is obviously a very quick scorer and is said to be a beautiful cutter and a very fine driver.

It is a pity that there is not a local cricket team to play H.M.S. Durban on their arrival here. They have a strong eleven which defeated the English Public School men of Victoria a few days ago.

TWO LEAGUES FOR LACROSSE

LOCAL BOYS SHAPING UP WELL AND EQUIPMENT ARRIVING MONDAY

R. S. Wood, who is organizing the local boys for lacrosse is very enthusiastic over the result of his work so far. He expects that two leagues will be formed, senior and intermediate, and some of the lads are shaping up well.

The equipment ordered is expected to arrive Monday. The purchasing of this was made possible by the contributions of a great many local people who are interested in the game and who wish to see it go ahead.

Practices have been arranged for eleven o'clock tomorrow morning and 6.30 on Monday at Acropolis Hill grounds and it will not be long before the teams are seen in action in real lacrosse matches.

Mr. Wood is a former New Westminster man who has played in the teams there and is an enthusiast for the game.
