At three o'clock Saturday afternoon the Princess Alice docked at the government wharf. About half past three Harry Day was at the grounds receiving many complimentary greetings from his friends. Tomorrow evening the second fixture of the Dominion Day cup tie football finals will be played at the Acropolis Hill grounds between the Trail Club and the Grand Trunks. Although the latter team is leading in the league yet their opponents hope to give them a good rush for their money. The Trail boys have strengthened their defense line with the addition of one or two new players. The betting is now about even.

At last evening's baseball game George Shaw seemed to come in for a lot of hard knocks with the ball. He was hit twice while at bat by Parker and once by Fowler. On another occasion he was hit by a thrown ball while going to first. The most sensational one of all, however, was the bean ball which hit him on top of the head and bounced off over the top of the grandstand.

When Eddy Smith came to bat for the Colts last evening the Sawmill supporters set up a loud outcry but it was all of no avail. The Colts had nabbed him and that was all there was to it. Eddy made a very good showing in the field in last night's game which was the first league game that he has held a place on any of the contending teams. His batting was well up.

If the baseball game had not been decided the way it was last night there would have been no blame to be laid upon the girl booters. Their new and brilliant rhymes caught the attention of all and held the peace of their opponents. When they started to count up the score they made it snappy for the Colts' 13 and drawled out with a feeble sigh the wee 2 for the Sawmill.
