Premier Smuts of South Africa has been invited by the United States to attend the disarmament conference.

He Would Sing.

A wealthy member of a fashionable church approached her pastor with the complaint that she was greatly disturbed by one of her neighbors. "It's positively unbearable!" said she. "That man in the pew in front of me destroys all my devotional and pious feelings when he attempts to sing. Couldn't you ask him to change his pew?" The good pastor was sorely perplexed. After a few moments' reflection he said: "Well, I naturally should feel a little delicacy on that score, more especially as I should have to give a reason. But I will tell you what I might do. I might ask him to join the choir!"

Babe Ruth Scored Thirty-third and Thirty-fourth Yesterday at St. Louis.

ST. LOUIS, July 13.—Babe Ruth made his thirty-third and thirty-fourth home runs of the season in yesterday's game with St. Louis. The first homer was made in the third inning when there were two on bases, the second in the seventh with the bases empty. The Yankees won the game six to four.

Sport Chat

Honors in the Senior Football League are now about evenly divided between the Sons of England and the Sons of Canada. Although the former, in the present standing, have the advantage of one point, they have played four games whereas the Sons of Canada have played but three. If the latter defeat the Callies in the game on Friday night, they will again be ahead by one point with an equal number of games played. On the other hand, if the Callies win they will be even with the Sons of Canada for second place and the Great War Veterans will be holding the cellar position. With the outcome of one game having so much bearing on the standings of the teams there is a great deal of interest being taken in each match.

• • •

While the closeness of the standings of the the teams in the football league may cause interest in the games now, the quality of the last two games has certainly not been responsible for the evoking of much enthusiasm. After having made a keen start where every inch of ground was contested in hard and brilliant manner, since Dominion Day the brightness of the games has fallen off in very noticeable manner. These two games were undoubtedly the worst exhibitions of the season and both teams showed listlessness that should not exist with the chances for championship so evenly divided as they are. However, it may have been but a temporary falling off and the fans are confident that the next games will be productive of better work.

• • •

In the meantime, the interest of the baseball enthusiasts has been aroused to no little degree in the match tonight between the Elks and the Red Sox. There are going to be a lot of new players take the field for the younger team and what they can produce is what everyone wants to see. Manager "Slats" Weber says he's got for tonight the strongest Red Sox team that has been presented so far this season but the Elks do not seem to be much perturbed even if the Sox have on their lineup, Harry Menzies, who made his appearance in the first game of the season in the Sons of Canada squad. He will be a decided acquisition to the ranks of the Red Sox but the other six new men are, as far as the fans are concerned, more or less unknown quantities.

DOCKERS WINNERS OVER ATHLETICS

First Game Second Half Junior Football League Was Played Last Night.

The second half of the Junior Football League series started last evening when the Dry Dock beat the Prince Rupert Athletics by a score of 6 to 4. The game throughout, was keenly contested but was somewhat spoiled by the fact that both teams were short two players—nine men only taking the field on either side. The Athletics did most of the pressing in the first half, Willie Mitchell scoring two clever goals while Eastman and Mackintosh added two more. For the Dry Dock, Erskine and Thompson scored in this half.

The Dry Dock had the greater share of the play in the second half but the Athletics held them in check for quite a while although, towards the end, goals came pretty fast for the shipbuilders, Erskine making one, Kirby two, and Woods one.

The teams lined up as follows:

Dry Docks—Hughes; Eldred, Cole and Currie; Thompson, Woods, Erskine, Kirby and Butlers.

Athletics—Frizzell; Davidson and G. Mitchell; Hamilton and Mackintosh; Montgomery, W. Mitchell, Eastman and Curtis.

G. S. Russell was referee with D. F. Robinson and A. Clapperton as linesmen.

The standing to date in the Junior Football League is as follows:

	P.	W.	L.	D.	Pts.
Dry Docks	5	4	1	0	8
Athletics	5	3	2	0	6
Merchants	4	0	4	0	0
