HOCKEY GAMES AND ELECTIONS

Returns for These Will Come in Over Radio and be Picked up Locally

A number of local people are tuning up their radio sets in readiness for the Pacific Coast League hockey matches most of which will be broadcast. The next best thing to seeing a hockey match is hearing it over radio.

There is also the big presidential election next week, the returns of which may be picked up on almost any station.

NAVAL RESERVE HEARS TALK ON EXPLOSIVES

An interesting lecture on "The Composition of Explosives" was delivered by Lieut. H. N. Brocklesby at a well attended meeting at Royal Canadian Naval Reserve headquarters last evening. The difference between the composition and action of old and new explosives was clearly demonstrated and the composition of materials used for bombs, signal lights and flares was also explained. Numerous experiments were made to illustrate the lecture.

CONSIDERABLE ACTIVITY IN CITY REGISTRATION

The city clerk's office reports considerable activity in the registration of house holders and license holders for the forthcoming municipal election. Up to this morning 169 voters had thus qualified. The list for householders and license holders closes tomorrow night. For the purpose of receiving registration, City Solicitor Jones is keeping his office open tonight and tomorrow evening.

Property owners are registered automatically up to November 30.

LEAGUE FOR BADMINTON

Meeting Being Held to Consider Subject and Report Back to Clubs

A meeting has been called for this evening to consider the project of foming a badminton league for Prince Rupert. Representatives of the interested clubs are to discuss the matter in a preliminary way and report back to their members.

A suggestion has been made that teams be selected from each club for a senior and an intermediate series of games including men's and ladies' singles, mixed doubles, ladies' doubles and men's doubles.

SPORT CHAT

The presence of two native teams, who have moved to the city especially to play, should liven things up considerably in the Senior basketball league here this winter. The natives are keen players and there are many who expect that the local teams —Players' Club and Native Sons —will have to look to their laurels against these players from Kincolith and Port Simpson.

The Terrace Basketball League has elected officers for the year as follows:

Honorary President, O. T. Sundal.

President, L. Dyson.

Vice-President, Dr. Brummitt.

Secretary-Treasurer, Mrs. Holmwood.

Five teams will play at Terrace this winter, Native Sons of Canada, Men's City Team, Ladies' City Team, High School Boys and High School Girls.

The basketball season at Smithers is now well under way, the schedule calling for four games one evening a week. The High School and Public School have both boys' and girls' teams entered and in the Senior League, there are Church, Town and C. N. R. teams entered. In the opening games played yesterday, High School beat Public School 39 to 25 in the Junior League, High School beat Pirates in the Ladies' divison and Church beat Town in the Senior.

Around The World With Sport Fans

(By The Tramp)

Three men who stand out rather prominently as possible heavyweight champions to take the crown recently laid aside by Gene Tunney are Tom Heeney, Johnny Risko and Paolino Uzcudun. There will be a number of other aspirants but these three figure most prominently in the public eye just now. Possibly Firpo, the Argentine Bull, may have something to say and so will several others.

SUPERANNUATION FOR FIRE DEP'T

City Council Decides to Accede to Request, Effective from January 1 Next

The fire department will be accorded the benefits of the superannuation act starting from January 1, 1929, the city council decided last night after reports on the matter had been received from the finance committee, the city treasurer and the city solicitor.

The treasurer reported that the cost of putting superannuation into effect would be $1,774.50 in the first year and $650 each subsequent year. Deductions would be made from the salaries of the members of the fire department and the city would also contribute.

The city solicitor reported that he had found the application of the members of the fire department to be in order. The council under statute, had no alternative but to accede to the application.

It was moved by Ald. Prudhomme, seconded by Ald. Brown that the necessary steps be taken to put superannuation into effect as from January 1, 1929.

SEWER LINE TO BE BUILT SOON

Ald. Rudderham Urges That Preliminaries to Work be Completed Without Delay

Ald. Rudderham inquired at last night's council meeting when the bylaw would be ready providing for the construction of the Section Five and Six trunk sewer line.

City Solicitor Jones replied that he had been advised by R. Baird, inspector of municipalities, to give the bylaw two months so that full opportunity might be provided for objections to the measure to be made. The two months would expire about January 1.

Mayor McMordie urged that everything possible should be done to speed up the work. It was desirable that it might proceed during the coming winter.
