Dido Gurvich and Ned Byrne will provide the six-round headliner on Saturday night in the first of a series of boxing bouts which will be held in the Grand Terminal Club. The winner of this bout will be matched with George Bard who is now in Vancouver and reported to be going well. Gurvich is working out with Alf Harding at the New Empress gym at 3.30 p.m. while Byrne is going through his tricks at 7 p.m. at the Grand Terminal club. No less interest will be taken in the bout of Nickey Gurvich of this city and Jackson of Edmonton. It will be the first six-round bout for Gurvich who made such a good showing recently in knocking out his man from H. M. S. Durban. Jackson is also reported to be a likely looking boxer. Eddie Smith and Roy Fong are well matched and should put up a good bout while Batt and Chenoski have been a toss-up in their last few bouts. Batt claims to have acquired some real good dope while on the Islands recently. At any rate the local boys proved so tough for the Massett Inlet natives that Provincial Police Constable Andy Grant ordered them off the Massett wharf and told them to stay away. Howard Keefe and Ham Antonelli will furnish the curtain raiser. This should be one of the best boxing cards from local talent that has ever been staged in the city.

The local Elks' lodge will hold another whist drive tournament this winter such as proved so successful last season. The season will be divided into two separate periods with prizes for the winners in each while there will be a grand prize for the person having the highest score for both periods in the aggregate. The first session will be on the evening of Monday, October 1, and meanwhile, a committee has been appointed to arrange further details for the competition.

The hard 1-1 battle which was fought Tuesday night between Grand Terminals and Thistle should tend to liven up interest in the Gilhuly Cup football series although the trophy has been practically cinched by Ben Sell's men. Tomorrow night the Terminals and Regiment will meet and there are some supporters of the soldiers who hold that they can put up an equally good if not better performance than did the Scots on Thursday. No doubt there will be a good crowd out to see just what the Regiment can do. If the Terminals should win they will clinch the trophy without further disspute. Then the curtain will about ring down on local football activity this year unless something interesting can be arranged for Fair Week.

The Trades and Labor Council is to be congratulated on drawing up a program for the celebration of Labor Day next Monday which probably outclasses any celebration of this day in the past. There is a generous program of children's and adults' races and track events, with many novelty events, in which there will, doubtless, be large and keen competitions. The fact that time of all major races will be kept for comparative purposes should make these events all the more interesting through being able to compare what can be done locally with performances outside. Altogether, $500 is being offered in prizes donated by local business men. The Junior football and lacrosse games should also be interesting and we would recommend that those who have yet to see the youngsters in action on these two lines of sport take the advantage of the holiday to do so.

Around The World With Sport Fans

(By The Tramp)

The Edmonton Grads are on their way home after winning everything possible. They scored 576 points while the total of their opponents numbered only 86. Naturally Edmonton is particularly elated over the triumph of its girl basketball team. They will get a wonderful reception on their arrival home.

Great preparations are being made at Edmonton to give the returning Grads a fitting reception on their return Monday. The city is backing the affair, Mayor Bury being one of the leaders of the move. Twelve committees are working with a view to making the event an outstanding one.
