Canadiens Ousted from Hockey Finals by Boston Bruins When Beaten at Montreal Saturday

MONTREAL, March 25.—The Boston Bruins proved too good for the Canadiens here on Saturday night and scored a 3 to 2 victory over the Frenchmen, thus bringing to an end the Canucks' hopes for a world's championship.

The Canadiens jumped into a two-goal lead in the first period on scores by Leduc and Joliat. In the second period Boston rushed in three goals against the fast tiring Canadiens and held the lead in the third by a tight defence. Eddie Shore, Boston defense man, scored the winning goal and assisted Doc Carson with the first. Norman scored the second in the first period. Brilliant work by Tiny Thompson, Boston goalie, who has been the star of the series, saved the Bruins from defeat. There were 26 penalties, all minors.

RANGERS WON OPENING GAME FROM TORONTO

NEW YORK, March 25:—The New York Rangers last night won the first game of the National Hockey League semi-final series from Toronto 1 to 0.

The same pair of youngsters who scored the only goal against the Americans turned the trick for the Rangers against Toronto. Paul Thompson passed to Dutch Keiling, who made a perfect shot in the first period. The Rangers then fell back on a stone wall defence.

The teams will meet in Toronto tomorrow night and if a third game is necessary in New York Thursday night.

GRAND TERMINALS STILL IN RUNNING BILLIARD HONORS

Should the Grand Terminals capture second half honors, they will play off for the city championships with the Canadian Legion, which took the first half.

W. H. Long (Grand Terminals) beat F. G. Pyle (Canadian Legion) in the second game which was played at the end of the week, Will Mitchell having won the first for the Grand Terminals from G. P. Tinker by 250 to 217. The three remaining games are to be played tonight.

PORT ARTHUR IN FINALS FOR THE ALLAN CUP

Beat Trail Smoke Eaters Saturday Night at Winnipeg

WINNIPEG, March 25.—Port Arthur will represent western Canada in the Allan cup finals here next week as a result of the brilliant six to nil victory Saturday night over Trail. The Ports completely outclassed their opponents in every period. Leading at the end of the first period by one goal, the Ports increased this to three in the second, and concluded by adding a trio in the third.

Sport Chat

"I expect a great deal from the A's this year. I'm not predicting the pennant, however, because anything can happen in baseball. This talk of my club lacking gameness is all foolishness. Ours is a good team, improving all the time, and we'll play first class ball." Connie Mack, 66 year old skipper of the Philadelphia athletics, made this statement at Miami as he watched his flashy team go through their paces. They looked fine, did this club that was beaten out of the pennant last year by a game and a half.

Also peering at the prancing Athletics, were Mack's two ablest assistants, Eddie Collins and Kid Gleason, both former managers of the Chicago White Sox. Ultimately, it is reported, Collins will run the team when Mack steps aside, though Connie shows no indication of doing so. "The team that beats the New York Yankees will, of course, win the pennant this year," said Mack, "although the Detroit team looks awfully good to me. The Yankees are not a young team and if they are beaten they may drop below second place. I would not be surprised to see this happen."

TO THE VICTOR BLONG THE SPOILS

The first to greet Major H. O. D. Segrave, after speeding along Daytona Beach at 231.3 miles per hour, was Mrs. Segrave. Judging by the expression on her face, it would appear that she was more than delighted to be able to find him intact after travelling faster than any man ever did in an auto. Below is shown a glimpse of the British racer speeding down the course when he set the record.

CRIBBAGE AND WHIST HONORS

Moose Ladies, winners of the ladies' section of the Fraternal Whist League, and Grotto, men's section winners, are to meet Thursday night at the home of Mr. and Mrs. Bert Morgan, Fifth Avenue West, to decide who takes the Dybhavn Cup, for the city championship, or the Newton Cup, for the runners-up.

COALITION FOR ALBERTA SAID TO BE PLANNED

Conservative and Farmer Parties May Join Forces Before Next General Election

EDMONTON, March 25:—Coalition between the Conservatives and Farmer parties in Alberta is a strong probability which may be consummated within the next three months, so the Journal of this city is informed on what is believed to be high authority. This is now being talked of in political circles and it is believed that the time is approaching when both these parties will have a working arrangement.

The resignation of A. A. McGillivray, K.C., as provincial Conservative leader, retirement of Premier Brownlee as premier and his being place taken by Hon. O. L. McPherson, minister of public works, with a provincial general election next year, are all on the cards, so the Journal is informed. On the eve of the legislature being prorogued, these reports were current and they carry with them a wealth of confirmation which shows there are important moves under way.

The future of the Conservative party in this province is at stake, as viewed from the standpoint of participation in provincial affairs. There is a firm belief, reported in Calgary as well as in this city, that Mr. Mc Gillivray intends to resign as Conservative leader to devote his time to his law practice which suffered considerably when he took the post of head of the party.

M. P. EXPECTED HOME TOMORROW

J. C. Brady Coming West and Will Take Up Fishery Matters During Easter Recess

J. C. Brady, M.P. for Skeena, is expected home tomorrow afternoon to spend the Easter recess from the session of the house of commons at Ottawa. It is expected he will spend about a week here before returning to the federal capital for the resumption of parliament. One of the matters that Mr. Brady will take up while home will be in connection with the fisheries both as regards salmon and halibut regulations.

NOTABLE GATHERING TO HONOR CRICKETERS

Winners of the "Ashes" Will Be Tendered Banquet at Mansion House, London, This Summer

LONDON, March 25:—Lord Mayor of London, Sir Kynaston Studd, is to give a dinner to the English Cricket Test Team during the summer at the Mansion House. It was fixed this late because A. P. F. Chapman, the English captain, who is visiting relatives in New Zealand, will not be home until the middle of July.

It is probable that the occasion will bring together an almost unprecedented assembly of great cricketers.

All the most prominent English players, including Lord Harris and Lord Hawke, are likely to be invited to meet the Test team. Other probable guests are Arthur Gilligan and "Plum" Warner, both former English Test captains. A picturesque figure at the banquet may also be James Lillywhite, who "skippered" England in the first Test match in Australia, in 1877.

ASTON VILLA WINS

LONDON, March 25.—Aston Villa defeated Sunderland 3 to 1 today in English first division football.

CAPITAL STOCK ISSUE SUN LIFE FOR COURTS

OTTAWA, March 25:—Confirmation of the capital stock of the Sun Life Assurance Company at $4,000,000 will be left to the Exchequer Court.

By mutual agreement between officers of the company and G. D. Finlayson, superintendent of insurance, that course was decided upon, and the decision was confirmed this morning by the House committee on banking and commerce. Other clauses in the company's bill passed the committee without a dissenting voice.

In announcing the agreement, Mr. Finlayson said he desired to pay tribute to the great strength of the company, to the fidelity of its officers and staff, and to their scrupulous observance of the law governing the conduct of insurance companies of the Dominion.

Transference of the question of capitalization right to the courts removes from Parliament an issue which has occupied a great deal of time and attention through three years.
