APPRECIATION PASTOR'S WORK

Resolution Passed at Hazelton Embodying Sentiments United Church Congregation

HAZELTON, Feb. 4.—Very encouraging were the reports presented to the official board by the various departments of the United Church at a meeting held on Monday evening. Rev. T. H. Wright, B.A., minister of the church, presided.

John Newick, in presenting the financial report, stated they had just closed one of the best years since the church was organized, which was largely due to the successful work of Mr. Wright. All financial claims had been met, the missionary and maintenance assesments had been paid in full, and they were commencing the year with a small balance.

The board placed on record its appreciation of the splendid services rendered by Mr. Wright in his pulpit and pastoral ministration. Mrs. Wright also shared in complimentary remarks from the board. The resolution will be filed in the records of the church. The sincere hope was expressed that Mr. Wright would continue as their minister, as they desired to continue the existing fellowship which had brought about such gratifying results.

Mr. Wright suitably acknowledged the kindly references to the work which had already been achieved.

Dr. Leonard Wrinch, organist, and John Newick, secretary of the board, were heartily thanked for their services, both of whom made brief replies, and said that it was a pleasure to serve the church. The reports for the year have been tabulated and sent on to the Presbytery which meets in Prince Rupert on February 20.

To serve its women readers, and particularly those who live at a distance from a retail centre, The Daily News has instituted a Shopping Service. The Daily News is read by hundreds of women living far from any urban facilities for shopping and it is for these that this shopping service is primarily intended. Of course, The Daily News Shopper will attend to the man also, although he can buy a pair of braces anywhere. The Prince Rupert Merchants Carry between them Stocks running up to $2,000,000

None of the Prince Rupert merchants can possibly advertise everything they carry in stock, but if the thing wanted is to be got in this city, our out-of-town readers may be sure that The Daily News Shopper will get it when asked for.

If any of our women readers cannot get what they want in their nearest store, all there is to do is to write to The Daily News Shopper, stating what is required with whatever details there may be, enclosing the cost, and if it is in Prince Rupert, The Daily News Shopper makes your purchase.
