TRAP SHOOTERS FROM OCEAN FALLS DESIRE TO MEET LOCAL MEN

Meeting May be Arranged for an Early Date — Good Scores Were Turned in at Park Avenue Last Night

A trap shooting team from Ocean Falls may come here at an early date to compete with a team representing the Prince Rupert Gun Club, it was stated this morning by Jack Keefe, secretary of the local club. Communications have been received from the paper town expressing a desire for such a contest. In view of the high scores that the local pigeon smashers have been turning in lately, every confidence is felt that they will be able to hold their own with any visitors who may come to the city.

At last night's shoot there were some very creditable scores. Dr. Doherty topped the list with 21 out of 25 and four 20's were also recorded. The scores were:

Dr. Doherty	22
C. A. Kirkendale	21
H. Nickerson	21
Joe Flood	21
H. Welford	21
Dr. E. S. Tait	20
J. Scott	18
J. Keefe	17
H. F. McLeod	17
B. Newell	15

Sport Chat

Tennis is one of the most popular outdoor sports in Anyox this summer. In fact, it has been widely participated in by the residents of the smelter town for several years but this year the club there has more members than ever. There are courts at the beach and at the mine. Several trophies are up for competition, the latest being a cup donated by L. F. Champion, store manager.

The Intermediate League baseball game this afternoon between the White Sox and the Colts and the Senior League game this evening between the Sons of Canada and Gil's are the headline features of the Elks' Flag Day outside sport program which is now in progress at the Acropolis Hill grounds. Both games are expected to be lively affairs for the opposing sides in each are closely matched. Both are out to win and fans will be interested in the play and the outcome.

Mexican property owners in the Yucatan district of Central America are now organizing to oppose the increase of socialistic tendencies in the population there by instituting baseball teams. The idea is said to be that of giving the youths of the province some idea about play and physical self-development. Two hundred and fifty complete baseball outfits have been imported from the United States and, in addition, a physical culture director has been sent to the United States to learn about the game as it is played. Booklets of rules and descriptions have been printed in Spanish.

WARM RECEPTION FOR GYRO VISITORS FROM SOUTH TO BE STAGED

Towards the end of August a big party of Vancouver Gyros are coming to Prince Rupert to formally institute the newly formed club in this city. They will be headed by R. Rowe Holland, past president of the Vancouver Club, who has been appointed by Gyro International to take charge of the ceremonies. The local Gyros intend to put on a reception for their visitors which will not be lacking in any warmth even if the local club is the farthest north yet. Prince Rupert Gyros had their second dinner in the St. Regis Cafe last night with President Milton Gonzales in the chair and a high percentage of members present.

Ten Years Ago in Prince Rupert

Mayor T. D. Pattullo and City Solicitor Fred Peters returned this morning on the steamer Prince George from their financial mission to Eastern Canada, the United States and Europe.

J. S. Gray & Son have donated two splendid silver cups for competition in the native band concert at the Fall Fair.

G. A. Sweet, manager of the G.T.P. hotels, has been advised that the annex on Second Avenue must be vacated immediately so that excavation on the hotel site may commence.

The cost of maintaining prisoners in the city jail was brought up at the meeting of the police commission yesterday afternoon by Ald. Maitland. Chief Vickers stated the inmates were fed very well and it cost 25c per day.

The Northern B.C. Agricultural & Industrial Association is publishing the prize list for the forthcoming fair. Cash prizes in value compare very favorably with those offered in Vancouver.

Scott C. Bone, editor of the Seattle Post-Intelligencer, describes Juneau as the most flourishing town in Alaska. He has written a special descriptive article of the place in his paper.
