CATCHING CRABS FOR EXHIBITION TEA ROOM

Some of the ladies of the Municipal chapter and their friends have been out getting fresh crabs for the I.O.D.E. tea rooms at the exhibition and so far have been very successful. The result is that Mrs. McMordie and her band of workers will be able to serve fresh crab salad tomorrow for the opening day at the exhibition.

The low tides have favored the crabbers and the result is that fresh crabs will be one of the favorite dishes to be put on for the delectation of visitors during the week.

The ladies are anxious to get a supply of crabs regularly and anyone who can go out will get good sport as well as aiding a worthy cause.

The select team for the Exhibition soccer series this week failed to turn out in full strength yesterday and was beaten in the practice game at Acropolis Hill grounds by the scrub team 5 to 4.
