CONDITION OF CROPS AND
LIVE STOCK IN DOMINIONBULLETIN FROM CENSUS AND STATISTICS OFFICE SAYS HAR-
VEST IS LATER THAN USUAL, BUT NO FROSTS
ARE REPORTED.

Ottawa, Sept. 26.—A bulletin issued today by the Census and Statistics office of the Department of Trade and Commerce reports the condition of crops and live stock at the end of August and gives preliminary estimates of the yield of spring wheat, rye, oats, barley and flax seed as compiled from the reports of correspondents upon the appearance of these crops.

The cold, wet weather which prevailed throughout Canada during August delayed ripening and the harvest is everywhere later than usual, but no serious frosts have as yet been reported. All

OFFICERS WILL
JOIN IN FIGHTStatement Made That Army Of-
ficers Will Join Men of Ulster
if Worst Comes to Worst.

London, Sept. 26.—A remarkable story comes from Belfast that before embarking on the present campaign against home rule the leaders had received the assurance that in the event of home rule being pressed to its final stage a certain number of army officers, representing every branch of the service, would throw in their lot with the Ulster men.

The list is said to include many officers of high rank, with 26 colonels and lieutenant colonels, 43 majors, 69 captains, 31 lieutenants and 288 men holding the rank of sergeant major or sergeant.

One of the most disquieting features of the present situation is the increase in the number of persons who own firearms. In the Nationalist district of West Belfast one dealer is disposing of revolvers at the rate of one hundred a week and expects that this rate of sale will continue for some time, a large number of the weapons being disposed of on the club system.

There is reason to believe that what is happening in Belfast is also taking place in Dublin and other districts. The authorities are perfectly well aware that the traffic is being carried on and some time ago the government actually discussed what steps could be taken to deal with the importation of these arms. It was then decided to take no action at the moment, and thus matters have been allowed to drift.

"Well, they don't want any;
they'd rather keep at it."

Ten Acres and Freedom

There has been placed with me for a limited time 40 blocks of ten acres each, situated in the famous Lakelse Valley district. Both private and government reports pronounce the soil to be rich and fertile and capable of producing large crops of fruits and vegetables, also ideal for poultry raising. This is the closest land to Prince Rupert suitable for fruit growing, and think of the market this city will afford for poultry, eggs and vegetables in the near future. We import these at present from Seattle. Good government roads are being built through the district and land easy of access. In a few years this will be worth from \$200.00 up per acre, same as Okanagan district, while all we ask is \$600.00 for a 10-acre block. You dig down for \$200.00 and prepare to pay the balance in one, two and three years. Weigh city and country life in the balance, then thank me for putting you next to a good thing. Call or phone

Be Suspicious

BE suspicious of that of which nobody is proud. Be suspicious of the mere low-price argument offered in favor of an article with no reputation, no backer, no guarantor.

Better buy the thing you know and can trust, than an article unbranded and unvouched for.

The branded shoe, made by a maker with a reputation, is a safer shoe to buy than the one made in an unknown factory by an unknown maker.

The underwear made by a firm whose name is as familiar to you as your own, is worth more to you than underwear nameless or labelled by a maker of whom you have never heard.

Tea sealed in a packet bearing the name of a reputable firm is to be preferred to tea of which the packer is not sufficiently proud to advertise its quality.

Put your faith in the advertisements appearing in good newspapers. Beware of the article that cannot stand the spot-light of publicity. The commodity an advertiser backs with his own money is something worth your buying.

Advice regarding your advertising problems is available through any good advertising agency or the Secretary of the Canadian Press Association, Room 503 Lumsden Building. Inquiry involves no obligation on your part—so write, if interested.

Laying the
Corner-Stone

The first deposit, with which you begin a Savings Account, is as important an event as the laying of the corner-stone of a fine building. You are laying the corner-stone of your position in the world, of your circle of business acquaintance, of eventual success.

Can you afford to postpone that first deposit?

Wetaskiwin, Alta., Sept. 26.—A pretty romance that has been incubating for many months reached its zenith a few days ago when Miss Elizabeth Spurrell, a school teacher near Bowden, left her class in the midst of recitations, joined Mr. George Sanke, and together they fled to Camrose and were married. It is a repetition of the old story of parents attempting to thwart Cupid.
