ENGLISHMEN WIN SOCCER

Stuart Shield Game Last Night Resulted in Defeat of Sons of Canada by 4 to 2.

The Sons of England scored an easy victory over the Sons of Canada by 4 to 2 in the second game of the Stuart Shield Senior soccer series at Acropolis Hill grounds last night. The Englishmen played the best game and the good work of the forward line was largely responsible for success. Johnson starred at inside left. Both goal keepers did good work. Judge for the Canadians, having more to contend with than Frizzell for the Sons of England. W. Murray, half back for the Sons of Canada, was in the stellar role for his side on account of his splendid defence work. The Canadians fielded only ten men.

Through Tinker, the Sons of England scored two in the first half while H. Menzies made one for the Canucks. In the second, the Englishmen made another two through Johnson and the Canadians another one through J. Marks.

The teams took the field as follows:

Sons of England — Howard Frizzell; D. Hodgson and J. Farquhar; Hodgkinson, Kelsey and P. Cameron; Hamilton, Tinker, Lord, Johnson and E. Craggs.

Sons of Canada—Jack Judge; G. Mitchell and V. Menzies; W. Murray and Brown; H. Astoria, W. Mitchell, J. Marks, H. Menzies and V. Meagher.

F. Roberts was referee and J. Andrews and A. Clapperton officiated on the side lines.

The attendance was small.

Sport Chat

Tomorrow is the day of the Boy Scouts' water sports and if conditions are favorable there is reason to believe that the Salt Lakes will be the most popular rendezvous in the neighborhood in the afternoon. The program which has already been published is replete with interesting events for boys and girls and men and women both from the standpoint of participating and watching. The cause is a good one which everyone should patronize. By doing so nothing will be lost for a great entertainment is assured. Following the water sports, there will be a street dance—the first to be held in the city—on Second Avenue and this should prove no less attractive than the main event.

If the Intermediate baseballers can continue to put up the goods like they did on Monday evening in the game between the Colts and White Sox they will be worthy of general support and will doubtless get it. The youngsters showed in this week's game that they can play a brand of ball just about as good as the Seniors have been staging and certainly as interesting. There are several budding baseball players of merit among the Intermediates and, with continuation of practice and more experience, they will be city stars before so very long.

On account of the Boy Scouts' swimming gala and outdoor dance tomorrow, the Senior Baseball League has decided to stage the weekly game between Sons of Canada and Gil's tonight instead of tomorrow evening as called for in the time table. In an effort to even up with the Sons on account of last week's defeat, there will be several changes in Gil's line-up tonight it is said. A brand new pitcher for this season will make his initial appearance in the person of J. Morrison. It is interesting to note that Morrison is by no means a stranger to local fans—at least those of long standing. Several years ago he brought from Hazelton a group of baseballers who at that time trounced the locals when Ben Hunt was the pitching star for Prince Rupert. Frankie Fleming will be enrolled with Gil's aggregation, it is said, and Tom Clarke will take a place in the infield. The Sons of Canada line-up will be much similar to that which defended the Canadian honor so far this season.

FARMER BROWN HAS FINE CROP

Potatoes One of Finest Inspected in British Columbia by Dominion Official

R. L. Brown, manager of the Cassiar Northern Ranch at Woodcock, is showing pictures of his crops and stock, which show the splendid results being obtained there by careful cultivation. T. H. Bain, Dominion fruit and vegetable inspector, recently visited the ranch to inspect the potato crop and he says it is one of the finest he has inspected in B.C. There is sixteen acres of potatoes and the promise is that there will be a wonderful crop.

Some of the pictures show the uncleared land, the breaking, plowing, sowing the seed, and the crop all in one year and the results are amazing.

"Farming, if properly done, affords one of the greatest opportunities in the province," says farmer Brown. "It is several years before results are obtained and some people cannot wait that long. Much of the crop is not marketed in good shape. I propose to carefully grade my potatoe crop, ship them in new sacks and have them certified and graded as 'Canada A' before they leave."

Mr. Brown, who is associated with two local men in the venture, is looking for great things from his ranch. He has 300 acres with 60 acres cleared and in crop.
