May Transfer Right-of-Way

Position of Highway Sixteen To Be Discussed at Victoria Meeting This Week

VICTORIA—Transfer of a portion of the right-of-way occupied by the Skeena River Highway where it flanks the Canadian National Railways will be among matters to be discussed with high-ranking Canadian National Railways officials when they come here this Thursday to meet Pacific Great Eastern and provincial representatives.

Regarding forthcoming discussions on right-of-way, Premier B. I. Johnson explained that during the last war the department of national defence built a road from Hazelton to Prince Rupert.

Part of the highway was constructed on CNR right-of-way. At war's end the road was turned over to the B.C. Public Works Department.

Fact that the province does not own the right-of-way on which the road has been constructed presents recurrent difficulties in connection with road development work, stated the premier.
