ITEMS OF SPORT

Wolgate Needs Some Money

Los Angeles, Cal., Sept. 28.—Ad Wolgate, champion lightweight, is willing to meet anyone in his division on Thanksgiving day, according to a message Tom McCaray received from Tom Jones today. Jones said he would prefer holding the match in Los Angeles. McCaray at once started to find an opponent for the champion.

Fail to Revive Football

New York, Sept. 28.—The attempt to revive football at Columbia, where it was abolished by faculty edict in 1905, has failed. It is stated that the attitude of President Butler and others who took a prominent part in the abolition of the sport seven years ago, is at the present time practically unchanged.

World's Series Baseball

New York, Sept. 28.—The world's championship baseball series is to begin on Monday, October 7th. His date is said to have been provisionally agreed upon by the national commission which meets here next Wednesday to draft plans for the games. The date for the opening of the series was based upon the assumption that the New York Nationals and the Boston Americans would win the pennants in their respective leagues.

The Boston club already has won the pennant, and the Giants expect to win within the next few days. The playing season of the Boston Red Sox and the New York Giants closes October 5th, and one day's rest before the big series is deemed sufficient.

Chance Recovering Rapidly

New York, Sept. 28.—Frank Chance, manager of the Chicago Nationals is recovering rapidly from the operation which he underwent to relieve brain pressure resulting from injury to his skull caused by being hit repeatedly by pitched balls.

New White Hope

Montreal, Sept. 28.—Constant Le Marin, the European wrestling champion, who has arrived in Montreal, bids fair to gain notoriety not only as one of the greatest wrestlers of the day but owing to his youth, magnificent build, and tremendous strength he will in a very short time be numbered among the white hopes picked to do battle against Jack Johnson, the heavy weight boxing champion of the world.

Le Marin made it known that he had already started negotiations with no less a personage than Tex Rickard, one of the promoters of the Jeffries-Johnson battle, and that he had been made some very flattering offers. He has not yet decided what he will do in the matter, but says that after he has wrestled a few matches, he will take the matter up seriously and go after the big black, in the event of his failing.

A Case of Sour Grapes

In the most formal and solemn manner possible, the Dominion Lacrosse Association has reiterated its firm adherence to the principle laid down last spring that no consideration was to be given to the Minto cup. Having not only glued but nailed its colors to the mast head, the Association is sitting quietly down watching the Minto cup melt away in the heat of its displeasure and contempt as a pewter mug would meet if thrown into the furnace of a smelter. So far as the Big Four are concerned the Minto cup does not exist; it is a thing without substance and form; not even a name but merely an echo from the past, and an echo so faint that it is drowned by the lash of Ontario's waves upon Toronto's muddy strand.

After a greatly delayed trip, "Dorothy Dodd" arrived in the city Saturday. See her at Ren-waves upon Toronto's muddy strand.
