DEATH KNELL FOR B.C. LIQUOR HOUSES

FISHERMEN UNITE IN PROTESTING AT NEW REGULATIONS

Booze Export Premises To Be Abolished After June 11, Report Says

Most Drastic Action Since Inauguration of Government Control to Be Introduced At Present Legislative Session

VICTORIA, Jan. 29. — All liquor export warehouses in British Columbia will be abolished on June 11 next under legislation to be introduced by the provincial government at the present session of the legislature, Premier S. F. Tolmie announced yesterday afternoon. The action is the most important taken to control the liquor situation in the province since the inauguration of the system of government control in 1921. It was decided upon by the provincial cabinet following the decision of the federal government to cancel customs bonds on these warehouses as at June 11.

Premier Tolmie said: "We believe that a very large quantity which legally could be exported only has been moved from these warehouses into British Columbia and bootlegged."

NOT DOMINION WAREHOUSES

OTTAWA, Jan. 29.—The liquor warehouses to be abolished in British Columbia by the provincial legislature are not the type under control of the Dominion authorities—the warehouses containing liquor of Canadian manufacture on which all Dominion taxes have been paid at the distillery and which are stored in preparation for export.

JEALOUSY KILLING

Double Tragedy at Waugh, West of Edmonton, Yesterday

EDMONTON, Jan. 29.—Mike Gill, aged 23, believed to have been enraged by jealousy, accosted Kzenka Woolia, aged 17, his former sweetheart, on the street of Waugh, 45 miles west of here, yesterday, first beat her with the butt of his rifle and then shot her. He then turned the gun on himself. They both died in a few minutes.

Committed For Trial Today

William Engelmann Sent To Higher Court On Two False Pretences Counts

William Englemann was committed for trial by Magistrate McClymont in city police court this morning on two counts of obtaining money by false pretences. He is alleged to have cashed one worthless check for $10 at the Old Empress Hotel and another for $50 at the Western Rooms. He will come before Judge Young in County Court shortly for election.

Labor Council Not in Field

Making No Nomination for School Board Vacancy; May Be Acclamation

The Trades & Labor Council has decided not to place a candidate in the field for the one-year vacancy on the board of school trustees, President S. D. Macdonald announced today.

It looks as though W. R. McAfee, the only candidate so far in the field, may receive the seat by acclamation. Nominations close on Monday next and an election, if one is required, will take place Thursday.

CANADIENS WON GAME

Defeated Maroons in National Hockey; Other Games Last Night

MONTREAL, Jan. 29.—Penalties weakened the Montreal Maroons at a crucial period in last night's National League hockey game and the Canadiens grabbed their first victory of the season from them.

After sixty-five minutes of even play at New York, the Rangers were given the winning goal against the Americans when Simpson, American defence man, threw his stick to halt Keeling's rush.

On their own ice the Boston Bruins played ragged hockey but easily defeated the Pittsburgh Pirates in the dullest game of the season.

At Ottawa, Chicago used greater numerical playing strength to advantage to earn a well-earned victory over the Senators.

Last night's scores were:
Chicago 2, Ottawa 1.
Canadiens 3, Montreal Maroons 2.
New York Rangers 4, New York Americans 3 (overtime).
Pittsburgh 0, Boston 6.

THOMAS HOPEFUL

Increased Trade With Canada May Relieve British Unemployment Situation

LONDON, Jan. 29.—Facing a barrage of questions directed at his efforts to reduce the volume of unemployment, Rt. Hon. J. H. Thomas, Lord Privy Seal, expressed the hope in Parliament yesterday that there would be a substantial increase in trade between Canada and Great Britain. He also indicated that the Canadian demand for anthracite coal was greater than the British collieries could fill at present and declared that negotiations were taking place concerning the shipment of coal.

The minister further said that he would probably meet representatives of the Canadian Wheat Pool today to discuss regulation of grain imports which had an important effect upon the question of ship cargoes from Britain.

Running considerably late, C. P. R. steamer Princess Mary, Capt. C. C. Saintey, left Juneau at 1 o'clock this morning so will not be here en route to Vancouver and Victoria until tomorrow morning at the earliest.

TALKS OF B. C. COAL

Rich Deposits in Central Interior Discussed by F. S. Taggart

DEVELOPMENT PLANS

WINNIPEG, Jan. 29.—Coal deposits in Central British Columbia at Telkwa and Copper River, within a couple of hundred miles of Prince Rupert on the Pacific coast, amount to at least 460,000,000 tons, says Frank S. Taggart of London, England, representative of British capitalists, who has passed through on his way to England after a visit to mining properties in the West.

English interests, according to Mr. Taggart, are interested in the development of this region in British Columbia and have already instituted preliminary surveys for a railroad between Telkwa and Vanarsdol. This road would go from one point on the Canadian National Railways to another, cutting through the centre of the rich coal country.

Pending the building of the railroad, collieries at Telkwa are being pushed and an electrical plant is being installed to generate power for the Babine-Duthie mines. It will also supply power to the towns of Telkwa and Smithers. Mr. Taggart adds that undertakings are being considered to secure bunkers and terminal facilities at Vancouver and Prince Rupert.

Provincial Government Urged To Withhold Enforcement of Fishery Rules Until Probed

VANCOUVER, Jan. 29.—A central committee with power to act for all locals of the British Columbia Fishermen's Protective Association, the West Coast Fishermen's Association, the Northern B. C. Salmon Fishermen's Association, the United Fishermen's Co-operative Association, the B. C. Fisheries Co-operative Association, and all Japanese fishermen's organizations have sent the following wire to Premier S. F. Tolmie: "Representing twelve thousand fishermen, we demand that no action be taken to enforce the new fisheries regulations without further investigation."

Kenneth Richardson, secretary, states that the regulations would force independent fishermen to abandon their boats and would operate to the detriment of fishermen's co-operative organizations planning to build canneries of their own. The fishermen claim that the regulations would place them at the mercy of the canners.

Peace Outlet Cards Mailed Large Numbers

The Peace River Outlet Committee has had two thousand cards printed showing the Peace River to Prince Rupert map on one side and on the other the following legend:

"A Direct Outlet For the Peace River Country

"The people of Peace River are demanding an outlet by the most direct route to the Pacific Ocean. The logical route leads to Prince Rupert, "The Key to the Orient." A study of the map on reverse side will show why Peace River people are claiming Prince Rupert as the logical outlet for their country.

"Peace River is the finest grain country in the Dominion and is developing very rapidly. It is so important that transportation can no longer be denied it.

"We ask that you use your influence to secure the building of the Peace River Railway through the best part of Northern British Columbia to the nearest and best port—Prince Rupert.

"PRINCE RUPERT-PEACE RIVER OUTLET ASSOCIATION.
"Ald. Theo Collart, President."

These cards are being mailed away to people who might be in a position to help and should prove valuable advertising for the city.

BURIED TODAY

Simple rites marked the burial today of Mrs. Clara Davis, cook at the Prince Rupert General Hospital, whose death occurred at the end of last week. Rev. Dr. F. W. Dafoe of First Baptist Church officiated at a service in the chapel of the B.C. Undertakers, burial in Fairview Cemetery following.

CANNERY IS DESTROYED

Disastrous Fire Early This Morning at Bella Coola; B. C. Packers' Plant Lost

BELLA COOLA, Jan. 29:—Fire from an unknown cause broke out at 1:30 this morning and completely destroyed the B. C. Fishing & Packing Co.'s cannery. A strong wind fanned the flames.

Edward Wick, watchman, and his wife narrowly escaped death when they were forced to leave their home with everything behind. Mrs. Wick received burns necessitating removal to hospital.

The amount of damage is not definitely known as many private gasboats and nets were stored in the cannery building as well as 70 cannery boats and a great number of nets.

The cannery was built in 1900 by John Clayton.

BUCKS ARE CLOSE TOP

Back and Forth Pacific Coast Hockey Played Last Night in Portland

SEATTLE, Jan. 29.—After tossing away a two-goal lead when they lost their big defence man, Jack Pratt, for slugging an official, the Portland Buckaroos came back in an overtime period to defeat Victoria Cubs in Coast League hockey last night. The score was three to two.

The victory puts Portland to within one point of the Vancouver Lions, the league leaders.

Pratt was banished for striking Goal Judge Vance and was fined $25.
