QUESTIONS AND ANSWERS

Just before you settle down to a jam or jelly-making session . . . what about CERTO, that jam-and-jelly-making "must"? . . .

Q. What is CERTO? A. It's a fruit pectin—the natural jellying substance extracted from fruit.

Q. Why does CERTO give me fifty percent MORE jam or jelly? A. With CERTO the boiling time is so short that very little of the precious juice is lost in steam!

Q. Is it true that a pound of jelly or jam made with CERTO contains no more sugar than a pound made the old, long-boil way? A. Yes.

Q. Where can I buy CERTO? A. At leading grocery stores everywhere . . . a CERTO recipe booklet with every bottle!

C.N.R.A. WINS IN FASTBALL

Defeat Gordon and Anderson In Loosely-Played Fixture

In a loosely-played game in the City Fastball League last evening, Canadian National Recreation Association defeated Gordon and Anderson by 19 to 12 and so gained second place in the league standings.

The railwaymen got off to a good start when, on four singles, four walks and an error, they scored nine runs in their first inning. Schwab scored twice. They scored two more in the fourth when Nixon and Chyzyk crossed the plate, two errors assisting them. A five-run barrage in the sixth on a single, a double by Schroeder, two errors, a walk and a wild heave by Slatta that was intended to get a player at home but went past the backstop into Sixth Avenue added to the ironmen's worries. The trackmen added three in the ninth on Dunbar's double, Berner's single, a walk and an error.

The storemen got three in their first inning with Moxley, on bas on an error, and Dell and James, who both hit singles, all scoring. R. Smith's two-bagger brought in two runs. They added two more in the second, with Simundson and Hicks scoring, two more in the third when R. Smith and Stewart scored, and were then only two runs in arrears. Moxley scored in the fourth, Simundson in the sixth, Dell in the eighth and Duncan and Simundson in the ninth but they were still seven runs behind at the end.

Bruce Simundson, on the mound, was too generous. Perhaps he was thinking of his wedding tonight but he issued nine walks. He had five strikeouts, allowed fourteen runs, only one more than Dunbar yielded. There were eight errors charged against the team. Ralph Smith, with four hits in five times at bat, including a two-bagger, Hicks, with three hits in four times up, and James, with three hits, including a three-bagger, in five times at bat were the heavy hitters.

Dunbar struck out ten, gave four walks and allowed thirteen hits. There were nine errors charged against the team. Berner and Schroeder each with three hits out of five times at bat, and Schwab with three hits in seven times up were leading batters.

George McWhinney was umpire behind the plate and Nick Pavlikis was on base.
