MOOSE LADIES WINNERS AGAIN

Defeat High School in Good Fastball Game 2-1

With both teams turning in a high grade of ball, last evening's Ladies' League fastball game was the best of the season, the Lodge girls finally winning in a first-class exhibition, by two runs to one.

In the first Moose inning, Sedgewick walked the first two batters to face her but then struck out the next two and forced the third to pop out. In the second inning she struck out the first batter, walked one. Arletta Hamilton was safe on an error and North was walked. With the bases filled, Sedgewick struck out the next two. In the third inning Payne hit a two-bagger and later scored. In the fourth Sedgewick struck out two and Arletta Hamilton, who had singled, was out on a close play at second. The fifth inning was coreless with two strike-outs and a Husoy to Mostad play. First two batters in the sixth were out Husoy to Mostad and the third struck out. In the seventh with the score still tied, Pavlikis was safe on an error by the catcher. A. Hamilton and North were retired. Currie was safe on an error by second base and Pavlikis scored. Kildal struck out. The total for the game was two runs on two hits.

Hamilton struck out the first two batters up and then Husoy hit a two-bagger. Mostad was safe on a fielder's choice and Husoy scored. Sedgewick walked but Hamilton struck out Helgrinson. E Sedgewick got the only hit of the second inning but Budinich and Farrington struck out. Skoro was out, Hamilton to North and Husoy and Mostad struck out in the third. In the fourth, B. Sedgewick was out on a good catch by Pavlikis. Helbrinson was safe on an error. Youngman was safe on an error and E. Sedgewick was walked to fill the bases. Hamilton struck out the next two. In the fifth the side was retired on three pitched balls. Hamilton struck out B. Sedgewick and Helbrinson in the sixth and Youngman was out to North. E. Sedgewick was out on a catch by Payne and then Budinich was out on a great catch by Kildal. Farrington hit safely and stole second and third but, with the tying run on third, Hamilton struck out Skoro to end the game.

It was a pitcher's battle all through. Beth Sedgewick struck out thirteen, yielded four bases on balls and allowed two hits. Betty Hamilton struck out twelve, gave two bases on balls and allowed three hits. Both got good support in the field.

SPORT

Thursday night's ladies' league fastball brings together the Moose and Gordon and Anderson nines. In their last game the Moose team won by seven to five and Thursday evening's game should turn out to be just as close a contest.

In a fastball league double bill tonight, General Motors, at present leading the league, meet High School and in the second game Gordon and Anderson take on the Co-op team.

A win for General Motors will establish them securely at the top of the league, where they are now, even if the Co-op nine beat Gordon and Anderson. A win for the High School team will give them five wins and five losses.

Should Gordon and Anderson defeat Co-op, the hardware men would move into third place above the Co-op team. A win for the Co-op nine would give them third place behind CNRA who are at present in second place behind General Motors.

Friday night's game, which brings CNRA and General Motors together, should be a real battle. These two teams have met only once this season and on that occasion CNRA won 11-9. With both teams battling for the league leadership, it should be a battle royal.

SAVOY DEFEATS MOOSE 9 TO 2

Hotel Men Are Winners of Colorless Game

Savoy took their season's sixth baseball victory over the Moose team at Roosevelt Park last night, clouting the Fraternal Brothers into the semi-oblivion of a 9-2 defeat in a game that definitely could not be held up to aspiring youths as a model of crisp baseball.

It was definitely a league fixture with even the score on a bit of the routine side. From the fans' viewpoint it had the disadvantage of following Sunday's exciting inter-town double header and was therefore, something of an anti-climax.

The Moose record was darkened by six errors in nine innings which abetted pitcher Stu Henry's contribution to the Savoy hitting tally. Henry allowed 16 hits, although his personal batting record was impeccable. The Moose hurler struck out seven batters.

Savoy pitcher Alex Bill, credited with the win, struck out six batters and allowed 10 hits.

Although not shining too brightly on the mound, Henry did make a first rate showing at bat. He marked up three hits in three times at bat, one a double. Foster, of Savoy, hit four times in five times at bat.

Savoy scored their first run from a base on balls by Simundson in the first inning, then ran up four in the third. Two of their third inning runs were credited as errors against Moose players.

Arney scored in the sixth off a double, and Pavlikis, Gurvich and Morgan scored in the eighth. Gurvich hit a double.

Whifflets
From The Waterfront

What is said to be the largest school of tuna ever seen in northern B.C. waters has been reported off the west coast of Vancouver Island. For the first time, the blue fin species has been seen. The B.C. fishing craft Rosalie III a few days ago unloaded 30,000 pounds at Seattle, its value being $7,500. The Rosalie's skipper is Capt. Norman Ryall. The disposal of the catch is, to date, the top transaction in B.C.-caught tuna.
