DON'T SUFFER WITH DANGEROUS INDIGESTION

Do you suffer after meals with a belching, from sour and acid stomach? Many believe they have heart trouble and tremble with fear, expecting any minute to drop dead. This condition can be prevented, likewise relieved.

Take Carter's Little Liver Pills after meals and neutralize the gases. Sweeten the sour and acid stomach, relieve the gas and encourage digestion.

The stomach, liver and bowels will be cleansed of poison, painful and dangerous indigestion disappears and the system enjoys a tonic effect. Don't delay. Ask your druggist for a 25c pkg. of Carter's Little Liver Pills.

He is now engaged in the business of a piano tuner and will be back later in the month.

GYRO CLUB HAS DANCE

Dinner Party Last Night for Installation of Officers Enjoyable Affair

In connection with the installation of officers for the year 1930, the Prince Rupert Gyro Club held a very enjoyable dinner dance last evening in the Commodore Cafe. Wives and lady friends of the members as well as individual guests were present, the total attendance being about eighty. The cabaret room was tastefully decorated for the occasion with colored lights and other adornments.

After full justice had been done to a special banquet spread, Joseph Greer, the retiring president, read a report on the activities of the Gyro Club during the past year. Outstanding events of the year in the club's history were the presentation to the public of the Westminster Glee Singers last summer, the provision of a baseball park for boys at the corner of Sixth Avenue and McBride St., and two hoedown dances for playground work. Mr. Greer particularly stressed the appreciation of the club for generous support that had been accorded it in verious ways during the past years by the public. Without this, it would have been impossible to accomplish the public service work that the club had been successful in carrying out since its inception.

Past President L. W. Waugh acted as installing officer and formally declared the following as 1930 officers:

President—C. A. Kirkendall.
Secretary—E. J. Smith.
Treasurer—C. P. Balagno.
Directors—W. H. Tobey, Charles E. Starr, Dr. L. W. Kergin and Dr. J. R. Gosse.

The gavel was then turned over to the new president who conducted the remainder of the proceedings.

In the course of the program Mayor Cyril H. Orme spoke briefly. There were vocal solos by Mrs. Jarvis McLeod, D. B. Finn and M. H. Blott.

Mr. Greer conducted the initiation of Sam Jabour, H. A. Breen and William Mitchell as new members of the club. Dr. J. H. Carson, another newly elected member, was unable to be present on account of illness.

A telegram of greetings was read froh Lieutenant District Governor Rutherford of Kelowna.

After the banquet and installation proceedings, dancing was enjoyed. Music was furnished by Al Small's Orchestra and Dr. J. R. Gosse was master of ceremonies. The party was brought to a close at midnight.

TOO LATE TO CLASSIFY

PIANO TUNING de LUXE

GARVIN SPENCE and W. H. Norton of Edmonton, Alberta, are inaugurating a regular annual visit to give high-grade tuning service. They have been going east of Edmonton for 20 years and are adding this territory. All work guaranteed for one year. Don't hope for the best Get it. Leave orders at J. Lorne MacLaren's. Do it now and have no regrets.

FOR RENT—Modern house, five-rooms and bath. Munro Bros. tf

50% of Canada's Leading Hospitals

now use the same absorbent of which Kotex is made

KOTEX absorbent has replaced surgical cotton in 50% of Canada's great Hospitals! In these institutions, where every precaution known to science surrounds a patient, many thousands of pounds of Cellucotton absorbent wadding (Kotex filler) were used last year—the equivalent of millions of sanitary pads!

Kotex, the new and improved sanitary napkin, is made of many thin layers of soft, super-absorbent tissue. These many air-cooled layers make Kotex not only *safer*, but lighter, *cooler* to wear. They also permit adjustment of the filler according to individual needs. Kotex takes up 16 times its own weight in moisture and distributes that moisture evenly, not concentrated all in one place.

Surely, if the medical profession finds Kotex absorbent best—even in the most critical operations—it cannot fail to be best for constant use. No embarrassment when buying. Just say Kotex at any drug, dry goods or department store. Regular size, 60c. for box of dozen. Super-size, 75c. Directions in every package.

KOTEX IS SOFT...

1. Not a deceptive softness, that soon packs into chafing hardness. But a delicate, fleecy softness that lasts for hours.
2. Safe, secure . . . keeps your mind at ease.
3. Rounded and tapered corners—for inconspicuous protection.
4. Deodorizes . . . safely, thoroughly, by a special process.
5. Disposable completely, instantly.
