ALL IN READINESS FOR THE WORLD CHAMPIONSHIP SERIES

NEW YORK WON CHOICE OF DATES AND PLACE OF OPENING GAME BY TOSS OF COIN—UMPIRES SELECTED AND SEATS RESERVED.

New York, Oct. 2.—The opening game for the world's baseball series will be held in this city, Tuesday, October 8.

The games will alternate between here and Boston, one game in each city until the series is concluded.

The loss of a coin decided which city was to get the opening game. President McAleer of the Boston club, chose heads, the coin falling tails and the game went to New York.

A similar toss with the same result, fixed the opening game for Tuesday, October 8. The Boston club preferred Monday, Oct. 7th.

The Boston club will control the sale of tickets in that city. This is a victory for Ban Johnson in the American League.

The umpires selected were: National League—Klem and Rigler; American League—O'Loughlin and Evens.

In New York the sale of tickets will be handled by the National Commission. Boston has worked out a plan, it was announced, whereby tickets will be delivered, so far as is practicable to persons who have already made application. Their applications have been filed and they will be notified to send the money.

The tickets, good for three games each, will be issued. In New York, with a view to defeating the speculators, the only seats reserved will be a block of 8,500 in the upper grandstand.

Seats in the lower grand stand and bleachers will be sold at the Polo Grounds, each person purchasing a ticket must pass directly into the grounds.

In the event of rain, it was decided that the visiting team remain in town until the game is played.

Among the reserved seats will be a block of 75 for the National commissioners, two for each member of the opposing team and not over fifty tickets for members of the local papers. The number to be allotted to out-of-town correspondents was not announced.

The list will be approved by the Baseball Writers' Association.

Warm, clean rooms at Savoy.
