PLANS FOR YACHT RACE

Judge and Two Timers to Be Named Here For Seattle-Prince Rupert Sprint

The Prince Rupert Rowing & Yacht Club has been asked to name one judge and two timers in connection with the Seattle-Prince Rupert yacht race which will be held this sumer. The local club has also been asked to send a boat to Secret Cove, just north of Queen Charlotte Sound, to take the times of boats when they arrive there from the south. Arrangements are being made to meet both requests.

The management of the race in Seattle has also asked that a chart of Prince Rupert Harbor be sent showing the exact location of the finishing line here.

BROTHERHOOD REORGANIZED

The Baptist Brotherhood, an organization which is undenominational although it bears a church name and which is open to men and boys over the age of 12 years, its objects being spiritual, moral, social and physical betterment of its members, came into being again in this city last night at an organization meeting in First Baptist Church with G. W. Johnstone in the chair and J. H. Smith acting as secretary pro-tem. There will be two separate organizations — one for men and the other for boys, the latter being under the direction of the senior body. It was decided to hold meetings every Tuesday night. Before the war, there was a Baptist Brotherhood here which did good work, particularly in the way of athletics. One of the principal ideas now is to encourage sport among the younger boys and the organization has in mind the launching of junior baseball and football leagues as well as establishing a gymnasium. There was a large attendance at last night's meeting and enthusiasm marked the preliminary organization.

After the organization committee had reported in favor of proceeding with organization, officers were elected as follows:

Honorary President, Rev. Dr. F. W. Dafoe.

President, George W. Johnstone.

First Vice-President, W. Wilson.

Second Vice-President, Sid Hamblin.

Secretary Treasurer, Melvin Dafoe.

Press Correspondent, Vic Houston.

Committees were named as follows:

Sports—Lee Dell, chairman, Sam Currie, Frank Glass and Melvin Dafoe.

Literary — Ald. P. H. Linzey, chairman, Clifford Gilker and Rev. Dr. F. W. Dafoe.

Bylaws—Lee Dell, chairman, J. H. Smith, Melvin Dafoe and Sid Hamblin.

During the serving of delicious refreshments, the presentation was made to Mrs. Swanson on behalf of the lodge by Mrs. F. M. Crosby of a handsome hand-made brass tray. Mrs. Swanson responded suitably.

The serving of refreshments was in charge of Mrs. Einar Larsen, convener, Mrs. E. J. Large, Mrs. Richard Long, Mrs. Robert McCarthy and Mrs. D. Lund.

The affair broke up about midnight.

LOCALS WON HOOP GAME

Kincolith Seniors and Intermediates Were Beaten Last Night

The local teams proved to be too good for the visitors in last evening's basketball attraction at the Exhibition Hall. The Rupert Seniors defeated Kincolith 31-24. The Rupert Intermediates defeated the Kincolith Intermediates 63-23.

The senior game was not very interesting to watch during the first half. The play was slow and ragged although both teams were fighting hard to obtain possession of the ball. The score at half time was 13-11 in favor of Kincolith.

During the second half Rupert scored four baskets in quick succession to take a lead of 20-14. Both teams were off form and did not display the basketball that they are capable of showing. Robinson and Allen were sent from the floor for unnecessary roughness, which weakened Kincolith considerably during the latter part of the game.

Johnstone, the Kincolith centre, was high scorer for the game with 12 points. The individual scores were:

Kincolith—Robinson, 4; Stuart, 4; Bolton, 4; Dangeli; Johnstone, 12; Aksidan; Allen; Alexander; total, 24.

Rupert—Lambie, 6; A. Mitchell, 7; D. Gurvich, 3; Doug. Frizzell, 1; E. Ratchford, 4; W. Mitchell, 9; V. Meaghers, 1; total, 31.

The intermediate game was very one-sided from the beginning when Rupert scored at will to take a lead of 21-0. Kincolith then scored on a foul. The local team was playing a good combination game and the showing they put up during last evening's game would make a senior team work. The individual scoring was:

Rupert—S. Styles, 6; A. Cross, 2; R. Stalker, 12; W. Harold; R. Irvine, 10; E. Smith, 17; H. Macdonald, 6; D. Morrison, 8; total, 63.

Kincolith—Hubert, 2; Frank, 3; Clayton; Aksidan; Stuart, 7; Robinson, 4; Ruffus, 7; Felix; total, 23.

R. B. Skinner refereed both the games. Olof Hanson jr. was scorekeeper, Mike Budinich timekeeper, and George Mitchell was at the door.

Oscar Loudry, successor to John Dore as district superintendent of government telegraphs here, arrived on the Prince George today from Vancouver to assume his new duties. Mr. Dore will be leaving in a few days for Victoria to take over his new post as superintendent of the Vancouver Island division.

ANALYZE THE ALLOWANCE ON YOUR USED CAR

If a dealer pays you more than the true worth of the car he must make up the difference by extra charges on the new car or re-sell it to some one else at too high a price

PERMANENT value is always better than a temporary bargain in the purchase of an automobile. It pays to look ahead and consider reliability and ultimate up-keep costs, as well as comfort, safety, speed, and beauty of line and color.

Since most automobiles are bought for replacement, the value set on your used car is a factor in almost every purchase. Frequently it is given an importance beyond its true worth.

Used cars have a definite market value and you are justly entitled to an allowance based on that value. It is not fair that you receive less. It is not to your best interests to receive more.

IF a dealer pays you more than the true worth of the car he must either re-sell it to some one else at too high a price or make up the difference on the new car. This he cannot do unless he is allowed an excessive profit on the car or on financing, extra equipment and other charges. In either case, you pay the bill, for no way has yet been found to give something for nothing. The money must come from somewhere.

It is good for you to have a true picture of the used-car situation and its secondary importance in the purchase of an automobile.

YOU may not get the largest used-car allowance from the Ford dealer, yet you gain in the long run. You save far more than the seeming difference in trade allowance because of the lower first cost of the Ford, the low charges for selling, financing and accessories, and the lower cost of operation, service and replacement parts. *The profits of the Ford dealer are not marked up or increased to cover a high allowance on a used car.*

FURTHERMORE, at least $75 extra value is given to you in the new Ford in the Triplex shatter-proof glass windshield, the Rustless Steel, the five steel-spoke wheels, and the four Houdaille hydraulic double-acting shock absorbers. The unusually large number of ball and roller bearings, and the extensive use of fine steel forgings instead of castings or stampings, are other features that show the extra quality built into the Ford car.

Roadster, $540 — Phaeton, $550 — Coupe, $620 — Tudor Sedan, $620 — Sport Coupe, $655
