RIFLE MEET OTTAWA TODAY

Shoot Which Started Yesterday Continues Until Friday of This Week

OTTAWA, Ont., Aug. 19.—(By Candian Press).— With interest in the markmanship accelerated by the remarkable record of the Canadian team at Bisley Camp, and the winning of the King's Prize by Pte. Desmond Burke, of Ottawa, this year, the attendance at the annual shoot of the Dominion of Canada Rifle Association at Connaught Ranges near here, which commenced yesterday exceeds all previous records.

Coupled with its past records for turning out expert marksmen, the free government issue of aperture sights with Whyte bases this year adds considerably to the popularity of the D.R.A. meet. The issuing of these sights greatly increases the accuracy of the individual marksmen and as a result, the various events have been so altered to make competition keener.

Governor's Prize

The Governor-General's Competition, Canadian equivalent of the King's Prize competition at the Bisley shoot, remains the same as in past years during the shooting of the first stage. The second stage, however, for which the 150 marksmen with highest score in the first stage alone are eligible, will be fired on the 300 and 900 yard ranges instead of at 300 and 600 yards as in previous years.

The finals for the Walker Trophy are being shot for on the 800 yard range instead of the 500 yards. The London Merchants' Trophy, for competition by provincial teams are being shot for on the 800 and 900 yard ranges instead of 500 and 600 as in previous years.

King's Medal

The King's Medal, awarded by His Majesty King George to the best shots under service conditions in each of the British Dominions and Colonies, will be fired for under the identical conditions as last year. This medal is awarded to the best shot in four active service competitions, the Borden (rapid fire); the Dundonald (snapshooting); the Bankers' (deliberate), and the Gzowski (fire with movement). In none of these competitions is the use of the aperture sight permitted.

This year's meeting of the Dominion Rifle Association will be shortened by one day to accommodate competitors from the more distant provinces. The meet will close on Friday afternoon after the shooting of the Gzowski match instead of on Saturday noon as in previous years. To enable the authorities to reduce the meet by this one day and not curtail any of the competitions, shooting will commence from half an hour to an hour earlier every morning and will close later in the afternoons.

During the long stay at Hakodate in Japan of H.M.C.S. Thiepval, a football eleven was assembled from the ship to play with an all star Japanese team. The Canadian tars proved themselves better soccerists than the Japs and won the game. The ship's team was captained by the master of the Thiepval, Capt. Beech.

Sport Chat

Football tonight—Sons of Canada vs. Callies. Acropolis Hill at 6.45.

Senior soccer should be resumed with a bang in the replay semi-final tonight between the Sons of Canada and Callies for the Gilhuly Cup. It may be depended on that both sides will be turning out the best teams they can muster and a crackerjack good game should be the result. A game not having been offered them for nearly a fortnight, fans should be out in force particularly in view of the fact that meetings between the Canucks and Scots always seem to prove the most attractive football features.

Vanderhoof tennis players journeyed to Prince George last week to play a return tournament with the Prince Rupert club. Prince George won ten of the fourteen events, Vanderhoof being handicapped by not being able to command the services of several of its most effective players.

In a very patchy baseball game, Giscome beat Prince George by a score of 14 to 12 last week. The game was played in Prince George. Barrett started in the box for Giscome but was replaced by Terry Johnson. Jesse Grey pitched for Prince George, it being his first game of the season.

The Ketchikan Chronicle in an article published last week urging all the people who can get away to make the trip to Prince Rupert during the Fair Week as follows:

"For the sport fan there can be no end of a good timo because the Ketchikan town team is to accompany the excursion to Prince Rupert and they will uphold our town honors in the ball field at the Canadian town against Anyox, Stewart, Prince Rupert and Ocean Falls."

A great deal of enthusiasm seems to be manifesting itself in the excursion.

BURNS LAKE

What is believed to be rich copper and galena ore was discovered by H. R. Gerow and William Reid close to the railway five miles from here and two miles from Decker Lake last week. Several claims have been staked by the discoverers and considerable interest is displayed locally in the ore samples brought in.

Mrs. Ed. Newman has returned from Vancouver where she was receiving medical treatment.

Miss Ward of Chilliwack has accepted the position of school teacher at Tchenikut Lake.

Mrs. Bruce Little and three sons of Francois Lake have returned home after visiting in Ontario.

Frank Ramsden left last week to spend a vacation in Vancouver.

Plans are being made to send a large district exhibit from Francois Lake and surrounding counrty to the Prince Rupert Exhibition next month.

WRESTLING ENDS WITH KNOCKOUT

Nels Jepson Declared Winner Over Jack Burns Who Crashed into Wall

Nels Jepson of Edmonton was declared winner over Jack Burns of Spokane in last night's wrestling match when the latter failed to come to after having been hurled against the wall. Both men got a fall, Jepson the first in thirty minutes and Burns, the second in eleven minutes. The match was delayed for a few minutes after the first fall as a result of Burns having dislocated his shoulder. The member was restored to place, however, and Burns came back to pin Jepson to the mat for the second fall. About ten minutes after the second fall, both wrestlers went against the wall when one was attempting to obtain a hold and Burns was knocked out. He was given fifteen minutes to come to and, when he failed to do so, Jepson was declared winner.

After the decision was made, Burns issued a challenge to Jepson but it is not likely another match will be staged between the two in view of the small attendance at both their contests. There was a very slim crowd at last night's affair.

A wire was read during the match from Ted Thye of Portland challenging the winner. Jepson said he was willing to wrestle Thye here on a 60-40 basis.

There were two exhibition preliminaries—T. Boulter vs. W. Stewart and R. B. Skinner vs. E. Warren.

P. LaPorte refereed the wrestling match and Harry Anderson, the preliminaries.

The wrestling match was for the light heavyweight championship of Canada which Jepson claims to have held before Burns beat him a fortnight ago.
