TELLS OF MAKING BLISTER COPPER

Anyox Parent-Teachers' Association Hear Instructive Lecture

ANYOX, March 15.—At the regular monthly meeting of the Anyox Parent-Teachers' Association, held in the new school last Monday evening, quite a number were present to listen to the reading of a paper by the general superintendent, J. B. Haffner, on "The Smelting and Flotation of Hidden Creek Ores." From the moment the ore reached the smelter, Superintendent Haffner told of its progress through the different stages of treatment until the blister copper was ready for shipment to the refinery. The object of the new concentrator was fully explained, and how the ore, which did not justify ordinary smelting methods, was handled until the valuable concentrate material was ready for the process of smelting.

Mr. Haffner was accorded a hearty vote of thanks by the gathering, on a motion of Mr. Armour, which was seconded by Mr. Southam.

Mrs. S. Herrin and Mr. Wilby were heard in song solos which were greatly appreciated. At the conclusion of the entertainment sandwiches and cakes were passed around, after which the National Anthem was sung.

Prior to the main event of the evening, the regular business was transacted, with the president, Mrs. Jenkinson, in the chair. Among matters up for discussion was the sending of a delegate to the P.T.A. convention in Vancouver. This was left over for future attention.

NEW COUNCILLORS COMMUNITY LEAGUE ELECTED AT ANYOX

ANYOX, March 15.—The election for Anyox Community League councillors, who were nominated at the annual meeting two weeks ago, took place yesterday. There were twenty running for the 12 seats, the winners finishing in the following order: Mrs. O. K. Dwyer, Mrs. J. Cloke, E. Yard, H. B. Southam, A. Seaton, F. Rice, E. Lafortune, Dr. Harper, J. T. Jones, G. Thompson, G. E. Townshend, L. Ingram.

John Conway counted the ballots, and the scrutineers were O. B. Phillips and J. Green.

SMITHERS

The pupils of the Smithers High School will edit the next issue of the Interior News.

The Great War Veterans' Association here has taken over new club quarters in the Kennedy building.

The Smithers Board of Trade has passed a resolution urging the building of the proposed Peace River railway from a point in British Columbia instead of Alberta.

The little two-year old daughter of H. Tanner died last week from pneumonia. The child's mother died about a month ago.

The Smithers District Board of Trade has received its charter from Ottawa and will seek new membership in the Associated Board of Trade of B.C.

FOR 15 YEARS WAS TROUBLED WITH ECZEMA

There is no other remedy like Burdock Blood Bitters that can possibly give such relief to all sufferers from eczema, salt rheum and all other diseases of the blood for the reason that this old and well tried remedy goes right to the seat of the trouble and completely and permanently drives these diseases out of the system by cleansing the blood and making it pure and rich.

Mr. F. W. H. Schultz, Pembroke, Ont., writes:—"Having been troubled with eczema for fifteen years, during which time I tried everything I could think of, including doctors, but without getting anything to do me much good I finally decided to take Burdock Blood Bitters, and I was certainly surprised to find that two weeks after I had started to take it I was relieved of my trouble. That was nine months ago, and I have not had a sign of it since. I surely wish to thank you for this wonderful medicine and strongly recommend it to anyone suffering from the same trouble as I had."

B.B.B. is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

HOSPITAL FINANCES UNDER DISCUSSION

Chairman of Finance Committee Gives Figures For Month and Tells of Meeting With Council

The total cost of operating the General Hospital in February was $4,203.90 as compared with $3,981.60 in January according to figures submitted to the board last night by S. K. Campbell, chairman of the finance committee. The total hospital days were 1154 as compared with 1131 the month preceding and the cost per day was $3.65 as against $3.52.

Mr. Campbell reported that the finance committees of the board and city council had met in preliminary session and, as a result, he felt that they would work with harmony and understanding this year. A per capita grant of at least 70c would be required from the city in 1924 and even then it was estimated that there would be a deficit of $2,000.

TROUT FISHING ON VANCOUVER ISLAND

DUNCAN, March 15. — Trout fishing opened pretty well this year. The mild season made the early fishing better than usual. At Cowichan Lake a number of good catches have been made, mostly with bait and spinners. Grilse are also being caught in the salt water at Cowichan Bay and reports from Saanich Arm indicate that grilse are numerous there this year.

VETERANS AND GROTTO BOTH LOSE STANDING

Billiard Tournament Last Night Resulted in Score of 882 to 859 in Favor of Former

Both the Great War Veterans and the Grotto lost points in the league standing as a result of their billiard tournament last night. The former won by a score of 882 to 859 and still have a reasonably safe though reduced lead in the Bulger & Cameron Cup competition. The three top teams in the contest are now just close enough together to assure interest being taken in the remaining games of the schedule.

Last night's scores were:

George Waugh (Grotto), 93; Col. S. P. McMordie (Great War Veterans), 200.

Don Brown, 184; Sgt. Jepsen, 200.

J. Suden, 200; E. Fenelon, 127.

J. Judge, 200; F. Pyle, 155.

B. Morgan, 182; J. J. Walsh, 200.

P.R.B.P.	9	8191	910

Sport Chat

The annual meeting of the Prince Rupert Hockey Association is called for this evening in the Elks' Home. Plans for the season are to be given an early start and it is to be hoped that there will be a good turnout of the followers of this sport so that things may be started with support and enthusiasm. Lacrosse proved very popular here two years ago and it is planned to have an active season in 1924. There ought to be a live competition again for the Stork Cup, emblematic of city lacrosse championship.

This is the season when ball teams are being made up. One is already completed and that is the "Inlander" team made up of young men who play cards, sing, grind the gramophone and occasionally eat and sleep at the Inlander boarding house. They have some peppy boys there this spring and the new team is wondering just where it will get a game. "Slim" Foster says they are open to play any aggregation there is in the city outside of the senior league champions. They are particularly anxious to hear from some such group as the B. of M. mess, the Mackenzie Mess, the Gyro Club or possibly the old Rotarians or the Regiment. Nothing will come amiss to them.

The advent of an early spring has brought hockey plans in various district towns to a sudden halt. Prince George and Smithers saw their last skating ice about a fortnight ago and a proposed carnival for Alice Arm last week in which Anyox and Stewart were to have taken part had to be called off until next year. The mild winter in neighboring towns may have been the cause of disappointment to hockey, curling and skating fans but they haven't much to kick about. All Prince Rupert people got this year was about two day's real skating weather.
