The Good Luck Star, Thomas Meighan, in

"WOMAN PROOF"

Do you know what "woman-proof" means? Know what a "zipper" is? Ever hear of marriage-by-radio? Of course not! George Ade, America's leading humorist and professor of slangology, created them all for "Woman-Proof," a brand new idea in stories with Tommy Meighan in a new kind of role. Yes, it's true. Tommy's absolutely woman-proof in this picture. That is-er-well, it must have a happy ending, but there's many a solid laugh, many a clever twist and heart-clutching situation before he is finally captured. Imagine Tommy immune to love germs with Lila Lee as the girl. Breezy fun. Sharp satire. Wholesome entertainment. Ade's best story. Tommy's finest role. It's the bee's knees.

NO LIFEBOATS ABOARD

FRIEDRICHSHAFEN, Sept. 26.—The ZR-3 will not carry any life boats or even life preservers on her trans-Atlantic voyage. "They are heavy, take up a lot of space, and we will not need them," said Dr. Hugo Eckener, the commander. "Life boats are all right for sea going vessels and sailing ships, but we feel that the ZR-3 is safer than any ship which ever plied the water."

CONCERT AT BUCKLEY BAY

Several Performers Well Known at Prince Rupert Gave Fine Entertainment

BUCKLEY BAY, Sept. 26.—The Fall social season at Buckley Bay was inaugurated on Saturday September 20, by a very successful concert and dance. The concert was given by the Buckley Bay Barnstormers, the local pierrot troupe, whose initial performance promises to make them the equal of any amateur company on the coast. Too much cannot be said in praise of the hard work and enterprise as directress of this troupe of Mrs. Guy Palmer. She has a well trained lyric soprano voice of rare quality and charm and her selections were rendered with expression and intelligence. In her duets she was ably supported by R. MacAdam who has a baritone voice of exceptional quality.

Mrs. Poole Sang

Mrs. Poole and T. McGuigan were heard to much advantage in "The Keys of Heaven." Mrs. Poole possesses a voice of much sweetness, to which her dramatic rendering of the number lent an added attraction.

Mr. MacAdam and Mr. McGuigan gave a sample of cross talk that was almost equal to that of professionals. Leonard Howe's sailor's hornpipe was the performance of a dancer who learnt it in the British navy, and the sketches by the general company together with the opening and closing choruses went with a swing and a smoothness worthy of old and hardened offenders.

A very great deal of the success of the entire entertainment was due to Mrs. R. MacAdam, whose accompaniments at the piano left nothing to be desired.

Dance in Evening

The concert was followed by a carnival dance, the arrangements for which were in the hands of Mrs. Maxwell, Miss Mabel Hennessey, Mr. MacAdam, T. McGuigan and Mr. Baby. The hall was beautifully and tastefully decorated for the occasion, the electrical and stage settings for which Pat Allan was responsible were the work of an artist. The Buckley, three piece orchestra supplied the music.

TEA AND SALE

A successful tea and sale of home cooking was held yesterday afternoon at the home of Mrs. A. E. Wright, Fifth Avenue East, by the Women's Auxiliary of St. Andrew's Anglican Church.

Mrs. R. L. McIntosh poured and those assisting were Mrs. H. St. G. Lee, Mrs. H. A. Philpott and Mrs. H. O. Crewe. The home cooking was in charge of Mrs. A. E. Bazett-Jones, Mrs. T. Andrews, Mrs. Burt and Mrs. W. J. Greer. Mrs. H. T. Willett and Mrs. Wright received. Mrs. Wallace C. Orchard acted as cashier.

ROTARY DINNER FOR GOVERNOR

Frank Riggs of Portland Addreses Local Club at St. Regis Cafe

There was a large attendance of members of the Rotary Club at a dinner given last night in the St. Regis Cafe dining room to hear a message from Governor Frank Riggs of Portland, Oregon. Mr. Riggs was recently appointed to the important position following the resignation through illness of R. A. Booth.

Governor Riggs spoke encouragingly to the members and emphasized the value of attendance at all meetings and of endeavoring to back up worthy enterprizes initiated by others rather than of initiating spectacular movements and trying to raise money for them. The Club was not a collecting agency and should try to avoid becoming that.

Vital Force

The Governor brought a message from President Hill of the International Council in which he spoke of the need of individual effort in Rotary. Rotary was a living, vital force and would continue to be a success as long as Rotarians had the desire and ambition to improve themselves and to make the world a little better than it was when they found it.

He spoke of the four furies which were at work today, hate greed, envy and fear. Rid the world of these furies and a mountain of distrust and misunderstanding would have rolled away.

Objects of Rotary

The objects of Rotary, the speaker pointed out, were:

The ideal of service as the basis of all worthy enterprise.

High ethical standards in business and professions.

The application of the ideal of service by every Rotarian to his personal business and community life.

The development of acquaintance as an opportunity for service.

The recognition of worthiness of all useful occupations and the dignifying by each Rotarian of his occupation as an opportunity to serve society.

The advancement of understanding, good will and international peace through a world fellowship of business and professional men united in the Rotary ideal of service.

Shown City

Yesterday Mr. Riggs was shown through the Cold Storage plant by Manager Johnson and was taken around the city. Mrs. Riggs was taken in charge by the ladies and was suitably entertained and last night President W. T. Kergin and a number of other Rotary members saw them off on the steamer southbound.

Governor Riggs expects to return early in the new year and it is possible that a Rotary Club may be then organized at Ketchikan and that a number of local members may go over to aid in the initiation of the new club.
