Moose Dance Is Enjoyable

Men From H.M.C.S. Skeena Much in Evidence at Happy Affair Last Night

Men from H.M.C.S. Skeena were much in evidence at the dance held last night by the Moose Lodge. There were about 150 persons present and a delightful evening was spent by all.

The hall was suitably decorated for the occasion with flags and bunting. Fine music was furnished by the Premier Orchestra.

The affair was in full swing from 9 p.m. until 1:30 a.m., and at midnight delicious refreshments were served. J. Jeans was in charge of the refreshments.

Charles Lemon was chairman of the committee in charge of the dance. B. J. Bacon was a genial master of ceremonies and Ray Ingram and Ted Rorvick presided at the door.

During the supper hour intermission Mr. Ford, a visitor to the city, entertained acceptably with songs and banjo solos.

New Carrier Collection System

In view of the depression and to make it as easy as possible for people to pay, the Daily News is to be sold on a weekly basis, payable in advance.

Starting Monday next, several of the routes in the west end of the city will be turned over to the carrier boys as independent merchants. The boy will collect each Friday evening for the week following. He buys the papers and sells them to the customers, so there will be no credit given. The boy cannot afford it. Please do not ask him to return for the weekly payment. Have it ready for him.

Customers now in arrears will pay the amount owing at the office, but this will have nothing to do with the regular collections made by the boy. He will be doing business on his own, and if he does not make his own collections will not deliver the paper.

Those paid in advance will continue to receive the paper until the subscription expires. Any wishing to continue the yearly payments may do so, and we pay the boy.

The price of the paper will be 10c a week, payable strictly in advance. That means six papers for ten cents.

It will take a few weeks to get the new system running smoothly, and in the meantime we ask for the co-operation of the readers of the paper. The routes not going on the new system this week will do so just as soon as the lists are made up and the boys properly instructed. Help the boys to set up in business for themselves!
