LIBERAL ANNUAL MEETING ON MONDAY

Hon T. D. Pattullo and Fred Stork will Address Gathering on Topics of the Day

Taking advantage of the expected presence in the city of Hon. T. D. Pattullo, the executive of the Prince Rupert Liberal Association has arranged to hold its annual general meeting on Monday evening at half past eight in the old Carleton Cafe Third Avenue, for the purpose of electing officers for the coming year and of carrying out the business of the association.

The gathering will be addressed by Hon. T. D. Pattullo and Fred Stork and should prove of unusual interest ,especially in view of the possibility of an election taking place late this year or early next year. It will be the annual occasion on which Mr. Pattullo gives an account of the work of the session, especially insofar as it concerns Prince Rupert. It is quite possible that the officers chosen at this meeting may be the ones who will have charge of the election campaign.

DR. KERGIN SPEAKS TO TUXIS BOYS ABOUT INSULIN

The Tuxis Square of the Methodist Church held its monthly supper last night. Dr. W. T. Kergin gave a most interesting address on "Insulin," tracing the history of the disease diabetes and and the many unsuccessful attempts to cure it. He gave a history of the work of Dr. Banting and his wonderful discovery of insulin and told of the method of using the fluid. Dr. Banting's experiments first consisted of removing the pancreas from several dogs and, when they had contracted diabetes and he had treated them with insulin and cured them, he began his work on human beings.

Following the address the boys had their weekly physical culture workout under the leadership of Galileo Contoli, a Swiss athlete, who has a great interest in boys.

The evening's entertainment ended with a keenly contested basketball match.

Earl Barrie is the mentor and is doing splendid work among the Tuxis Boys.
