VETERANS BEAT SONS OF CANADA

Will Meet Sons of England in Dominion Day Cup Final on July 1

The Vets made the best of a bad job in last night's football game and eliminated the Sons of Canada from the Dominion Day cup ties by a score of 2 to 1. Although not of a very brilliant character, play was pretty even with the soldiers taking the best of their opportunities. Many scoring chances were missed by both sides, however. The game was watched by a large and enthusiastic crowd.

The Veterans won the toss and elected to kick downhill with the sun at their backs. The soldiers were on the aggressive but neither side scored, several tries being missed only by inches.

About fifteen minutes from the opening of the second half, Willie Mitchell opened the scoring for the Veterans with a close in shot which gave the goalkeeper no chance. Shortly afterwards W. Murray scored from a foul kick outside the penalty area. The Sons then started to press hard and were awarded a penalty off which Jimmie Marks scored. The Canucks continued to press but without avail, Knox, the Veterans' goalie, being always on the job.

G. S. Russell refereed and the linesmen were George Kelsey and A. Clapperton.

The Teams

The teams took the field as follows:

Sons of Canada—S. Gawthorn; Vic Menzies and Harry Menzies; J. Mitchell, J. Marks and H. Astoria; R. B. Skinner, J. McDougall, S. Erskine, E. Warren and E. Smith.

Great War Veterans — W. Knox; O. K. Lord and W. Barton; J. Campbell, W. Murray and F. Hunter; F. Russell, H. Norward, J. Johnson, W. Mitchell and F. Conway.

The Great War Veterans and Sons of England will meet in the Dominion Day cup final on July 1.

ANYOX SPORT IS EXCITING

Office Plays Against Store Combination of Cricket and Mah Jongg

ANYOX, June 25.— This week will see the finish of the first half of the Anyox summer sport season. In football, the Mine is well out in the lead, while in baseball the winning of the next game by the Elk's team will place all three teams where they were on the opening night, even.

The last ball game between the Mine and the Smelter was an exceptionally good one, the Mine getting a decision after a hard fight, the tallies for the teams being three and two respectively. St. Clair was started in the box for the Smelter and was taken out at the end of the fifth, having poor control, and Fitzpatrick was substituted. He held the Mine scoreless for the remaining two innings. For the Mine, C. Ferguson was in great form and kept the heretofore heavy Smelter sluggers to a few strokes and scattered hits. His team mates gave him good support.

Baseball

The big noise in baseball over the week-end was the mix-up between teams representing the General Stores and Office. A big crowd turned out to see the result of a defi issued by the Stores over a week ago, and which had been accepted in a like manner on the part of the office staff. All kinds of ball between the good old game of cricket and the modern indoor sport of mah jongg was demonstrated. The score was close in baseball, it being six to three in favor of the challenged. W. Olson called 'em at the plate and on the bases, but his decisions were not all accepted unanimously by the fans. The teams were:

Office—Roy, Swanson, Mahon, Plommer, Moore, Cutler, Watson, Townshend and Fitzpatrick.

Stores — Menzies, H. Ballion, Nickerson, Dowling, Lace, Dunn, St. Clair, N. Ballion and Thompson.

Football is still going splendid, the best array of players yet seen in Anyox making up the three teams of the Anyox Association Football League.

Sport Chat

The second lacrosse fixture of the season and the last game before the boys travel south to cross sticks with Ocean Falls on Dominion Day will take place at the Acropolis Hill grounds tonight. The Maple Leafs are anxious to get revenge and even the score with the Kaiens as a result of their defeat last week and a lively encounter is assured which should be attractive to the fans all and sundry. Arrangements are under way to institute another novelty in connection with the lacrosse games by having the North B.C. Regiment band in attendance.

It had been the intention of the local lacrosse team to play one game at Ocean Falls on Tuesday next, leaving here on Monday night and returning on Wednesday. However, a wire has been received from the paper town asking that it be made a two-game series. This would necessitate the Prince Rupert team leaving on Saturday night and it has not yet been decided if this will be possible. This and the personnel of the team to go south will be decided in a day or so. A number of fans are planning on making the trip with the team.

NEWSPAPER IDEALS AND FINE THEORIES

Major Astor Proposes Ideal Newspaper but Likely to Prove Lifeless

Major Astor, with the most laudable intentions, would give Britain an ideal newspaper says the Victoria Times editorially. He has a plan to place The Times of London, in which he now has a controlling interest, under the wing of a supervising committee so that it might be beyond the reach of special privilege or sensational exploitation.

It is a beautiful theory. But in actual life in a world of imperfection and flux, the great journals of the world, the newspapers of character and service to their communities and nation, have not been built along such lines.

The National Review indicates where Major Astor's project would fall down. It says that such a policy board for The Times, consisting for instance of the Archbishop of Canterbury, the Speaker of the House of Commons, the President of the Royal Society, the Lord Chief Justice and gentlemen of a similar type, would make The Times "an organ of mugwumpery, reflecting the atmosphere of, say, the Athenaeum Club, and ultimately read by few persons outside the higher academic circles. You might just as well put The Times under the League of Nations at once and have done with it."

Young Man's Job

Northcliffe, who knew something of how to build the most successful newspapers in the world, once said that a man should not start a newspaper after he has passed the age of thirty. That is because the newspaper, which of all factors of public opinion comes most intimately in contact with all classes of its community, must have the vigor, freshness and adaptability of youth.

Ruskin, in a letter to Mrs. Carlyle written when he was a young man, outlined his purpose which he carried out and which explains his usefulness to his fellow-men. He might well have been setting a motto for newspaper success and that of The Times in its greatest days in the past when he wrote:

"I have a great hope of disturbing the public mind in various directions."

SHEEP ARE RAISED IN ALASKA SUCCESSFULLY

Best Quality Wool and Finest Mutton Said to be Produced There

JUNEAU, June 25. — Sheep raising in Alaska, especially to the westward, has developed into a most successful industry, according to statements of A. G. Allingham, who arrived on one of the large boats from the Westward and is now registered at the Gastineau Hotel. Last October, 1900 head of sheep, Cotswool and Merino, were taken in and placed on Unalaska Island where they have multiplied in a rapid manner, said Mr. Allingham.

Experiments have been going on for several years with sheep raising in that country, until finally two companies, the Aleutian Island Live Stock Company, and the Western Pacific Live Stock Company, took sheep to Unalaska Island and proceeded to raise sheep that will produce the best quality of wool and give the finest mutton, said Mr. Allingham.

The wool of these sheep is of splendid quality, thick and of unusual texture, while the mutton is of the very best. The meat is very sweet and of a fine grain, because of the excellent pasturage.

Next August the two companies now consolidated, will bring in 5,000 more head of sheep in order to increase in proportion to the business, which is rapidly developing into a foremost industry and successful proposition.

Mr. Allingham will remain in Juneau several days before continuing to the States.
