AT 80 YEARS OF AGE WAS TROUBLED WITH

SHORTNESS OF BREATH PALPITATION OF THE HEART AND FAINTING SPELLS

Mrs. M. O'Connor, Whitestone, Ont., writes:—I have been troubled, most of my life, with shortness of breath, palpitation of the heart and fainting spells. I was advised by a friend to try Milburn's Heart and Nerve Pills, which I did, and at once found relief, and I have never had a really bad spell since.

I am 80 years of age and always keep them in the house, and when I feel any symptoms of my old trouble coming on all I have to do is to take a few doses. With the help of your Pills I expect to see many years yet. I always recommend them to any one who is suffering from heart trouble."

Milburn's Heart and Nerve Pills are 50c a box at all dealers, or mailed direct on receipt of price, by The T. Milburn Co., Limited, Toronto, Ont.

DAILY MAIL SERVICE STILL BEING SOUGHT

Board of Trade Refers Matter Back to Committee to Further Pursue

At the Board of Trade meeting last night a letter from the post office department at Ottawa in regard to a daily mail service was rather discouraging but it was decided to pursue the matter further and it was referred to the trade and commerce committee for further action. In the course of the letter received was the following:

"In reply, I wish to say that the question of increasing the present mail service by train between Edmonton and Prince Rupert to daily except Sunday has already been the subject of extensive inquiry by the post office department and it has been ascertained that such service would involve an additional expenditure by this department of over $73,000 a year.

"In view of the widespread agitation for a curtailment of expenditure on the part of the Government and a reduction in taxation the post office department is very reluctant to incur any large expenditure in connection with the mail service if it can be avoided."
