GYRO SCHEME BEFORE CITY

Is Discussed at Length Last Night and Left to Finance Committee

LOT TO BE GRADED

Question of Payment Come Up and Seems to be Sticker to Mayor

Tacitly agreeing to a proposal that as great a portion as possible of the park lot at the southwest corner of McBride Street and Sixth Avenue be graded this year for the purpose desired the city council last night, on motion of Ald. Casey, seconded by Ald. Collart, referred further negotiations with the Gyro Club on the latter's request for a site for its playground equipment to the Finance Committee with power to act. In connection with the matter, there was a letter from the Gyro Club playground committee stating that permission had been granted to use Market Place as a venue for Junior baseball players, thereby meeting the Board of Works' condition on the granting of the present cleared lot at the corner of McBride Street and Sixth Avenue, a report from the city engineer estimating that it would cost $650 to clear a space 74 by 72 feet at the southwest corner of McBride Street and Sixth Avenue and a recommendation from the Board of works that the lot be cleared to the full size of 74 by 144 feet, the city and Gyro Club sharing the cost equally and the city doing the work.

City Should Pay

Ald. Perry felt that the city should pay the entire cost of grading, doing a smaller piece of ground if it was impossible to finance the whole, thus allowing the Gyro Club to spend all its money on equipment. The Club had doen good work in raising money for this purpose and the city should assist as much as possible.

Ald. Collart felt that a space 74 by 100 would be the smallest that would meet the requirements and was also of the opinion that the Gyro Club would not accept the condition of paying half the cost. Estimating that it would cost $900 to grade and surface the 74 by 100 plot, he suggested that the city do this much this year with a view to finishing it off next year.

Mayor Newton said that Mr. Taylor of the Gyro Club committee had stated that the Gyro Club would be willing to pay half of the cost of grading.

Part This Year

Ald. Macdonald felt that the present lot should be left intact for the baseball boys. He was not, however, in accord with the idea of asking the Gyro Club to meet the council on a 50-50 grading proposition. If possible, he would favor the council bearing the entire cost of improving the ground. He was in favor of Ald. Collart's suggestion that a space of 74 by 100 be provided this year and that the remainder be finished next year. The equipment the Gyro Club offered after all was the big thing and that organization should not be asked to improve the grounds.

Mayor Newton felt that sooner or later the grounds at the southwest corner would have to be improved. It might be as well to proceed with the work now and leave the Market Square grounds untouched.

Cripple Finances

Ald. Smith was not aware that the Gyro Club was prepared to pay half the cost of grading. That would cripple their finances for equipment, he thought.

Ald. Macdonald thought the Gyro Club would be glad to accept the southwest corner if it were graded for them. If that were done, they would be able to carry out their proposition and nothing else would be interfered with. Some money should, however, be reserved by the city for Acropolis Hill work this year.

Mayor Newton again stated that the willingness of the Gyro Club to pay half the cost of grading had been expressed to the Board of Works.

Situation Changed

Ald. McMordie stated that the original request of the Gyro Club had been for the improved corner. At that time, the club could not obtain the Market Place grounds for Junior baseball purposes. Now that these grounds were available, he did not think the club would be willing to pay half the cost of grading the southwest corner. He was the opinion, however, that the club should use some of its money towards improving the grounds.

Finally it was decided, on motion of Ald. Casey, seconded by Ald. Collart, to approve the Gyro Club's scheme for providing playground equipment and refer the matter to the Finance Committee with the authorization that as much money as finances would permit be spent this year on improving the south west corner.

COLTS WIN JUNIOR CUP

All Star Teams Victorious Last Night—Attendance Small at Benefit Games

In spite of the fact that a splendid bill of sport was offered, the attendance at last night's benefit basketball games was small and the Association was not successful in realizing sufficient funds to cover doctors' and dentists' bills of the past season.

The Junior game resulted in victory for the Colts over the High School by a score of 14 to 13. By a very narrow margin the Colts thus captured the McMordie Cup, emblematic of Junior League championship. James R. Mitchell refereed and the teams lined up as follows:

High School—Benny Wendll, 9; C. Thompson, 4; Elvin Johnson, Yoshi Katsuyama and Esa Katsuyama.—Total, 13.

Colts — Mike Camadina, 1, Bert Kelly, 6; Alvin Johnson, 3; Harold Macdonald, Spiro Gurvich, 4.—Total, 14.

All Stars Victorious

In the three league games in which season's champions were pitted against all star aggregations from the remaining teams, the latter were successful in each case.

The Senior game resulted in victory for the league all stars over the champion Sons of Canada by 25 to 21.

E. A. Mann refereed and the teams lined up as follows:

Sons of Canada—Vic Menzies, Harry Menzies, R. B. Skinner, D. Balfour, Harry Astori and Don Graham.

All Stars — Eddie Smith, G. Mitchell, W. Mitchell, W. Lambie and A. A. Easson.

Intermediate and Ladies

The Intermediate All Stars defeated the champion Colts by 46 to 30.

All Stars—W. Gray (captain), Don Matheson, Alex. Mitchell, W. Wrathall, A. Howard, D. Gurvich and E. McLean.

Colts—M. Budenich, Douglas Frizzell, J. Kelly, R. Smith, G. Blythe and J. Silas.

The All Star Ladies defeated the Champion Maple Leafs by 16 to 7.

All Stars—Miss A. Kelly, Miss C. Mitchell, Miss P. Tremayne, Miss L. Parker, Miss M. Lancaster and Miss N. Pryce.

Maple Leafs—Miss M. Graham, Miss M. Harvey, Miss L. Fisher, Miss L. Lowe, Miss A. Stephens and Miss L. Frizzell.

R. B. Skinner refereed both Intermediate and Ladies' games.

Sport Chat

The announcement made last week that several members of the Badminton Club were suffering from sore arms following the activities of the season that is about to close has led to many theories being advanced as to the cause and nature of the complaint. Joe Scott, one of the members, states the ailment is not similar to "tennis arm" but is rather like "housemaid's knee" which is only acquired by elderly ladies.

Burns Lake is to have a permanent recreation grounds according to news that has arrived from the inferior town. Gordon B. Robb, enthusiastic athletic supporter, has received word from Hon. D. T. Pattullo, minister of lands, that recommendation has been made to the executive council for the issuance of a free grant to the village corporation for this purpose of five blocks adjoining the town. There will be no costs in connection with the transfer.

Wisconsin University will be represented at the United States intercollegiate regatta at Poughkeepsie, N.Y., June 17, for the first time in ten years it is announced. Previous to 1915, Wisconsin was represented at the national regatta each year since 1898. Since the war, however, interest in the sport lagged and no effort was made to compete. The Wisconsin crew will be piloted by Coach Vail, a Nova Scotia oarsman of repute and formerly Harvard coach.

Junior footballers in the city of Nelson have turned down a proposition to be operated under the supervision of the Senior football league of that city and instead, have voted in favor of joining with the Nelson Amateur Athletic Association. The Seniors declined to be associated with the latter body. There will be two Junior football leagues operated in Nelson this year—one for boys up to 15 years and the other for boys between 15 and 19.
