SERVICE NOT SERVITUDE

Has it ever occurred to you that the multitude of "Household Helps" offered for sale are of themselves lifeless and incapable of service unless controlled and directed by the already overburdened housewife.

Laundry service alone is alive, vital, imposing no new obligations, and asking nothing but your friendly disposition, to change servitude into service.

MRS. SPENCER IS NEW PRESIDENT

The annual meeting of the Prince Rupert Parent Teachers' Association held last evening at the Booth School elected officers as follows:

1st Vice-president, Mrs. F. G. Pyle.

2nd Vice-president, D. A. Candow.

Arrangements were made for the affiliation with the provincial organization.

Votes of thanks to the retiring officers and addresses by J. C. Brady and D. S. Cameron concluded the business which was followed by the serving of refreshments.

There was a good attendance.

WHIST DRIVE AND DANCE BY ROYAL PURPLE AND ELKS

A successful whist drive and dance was held last night by the Elks and Ladies of the Royal Purple in the Elks' Home. The affair was in charge of L. Murray Fuller, representing the Elks, and Mrs. Harry Atkins for the Royal Purple. Mr. Fuller was master of ceremonies and Dave Wilton presided at the door.

From 25 tables of whist, winners were as follows: Ladies' first, Mrs. A. Astoria; ladies' consolation, Mrs. S. V. Cox; men's, H. H. Hemmings on cut with A. Dybhavn; men's consolation, W. D. Vance. Refreshments were served and dancing followed, music being furnished by the Westholme orchestra.

FISHERMEN COMING BACK IN READINESS FOR OPEN SEASON

With the re-opening of halibut fishing only a few weeks distant now after the three-month close season, local fishermen, who have been away visiting various parts of the country, are beginning to return. A number of them were included among the arrivals from the south on the steamer Prince Rupert yesterday afternoon. The halibut season will start on February 15, and, in the meantime, there is a good deal of work to be done on boats getting them ready for a resumption of operations.

FIRST VALVE ARRIVES

The first of the valves made by the B.C. Valve Co. has arrived in the city and is being shown by Robert McCarthy, their local agent. He is showing the particluar features which make it better than others and it will be shown in the window of the Prince Rupert Floral shop.

The company expects to be manufacturing early next month

JAIL FOR OPERATING RADIO WITHOUT SECURING LICENSE

HARTFORD, Conn., Jan. 22.—According to information received by the American Radio Relay League from a correspondent in Czecho-Slovakia, a radio fan in that country was recently sent to prison for six weeks because he built a radio receiving set and occasionally sold parts without a license. The accused filed an appeal but the court would not change its judgment on the sentence.

LIQUOR RUNNER IS OFF WITH HER CARGO

Speedway Carrying 20,000 Cases Cleared for Mexican Port

VICTORIA, Jan. 22.—Activity in the liquor export business out of Victoria has once again been revived. For a time it looked as if liquor operations out of this port might come to a stop for some months, with the Quadra lying under Federal surveillance at San Francisco and the Prince Albert lying idle here, being libelled for over $180,000 by the Commercial Pacific Cable Board.

A new rum-runner, however, has sprung into the limelight. This is the auxiliary sailing ship Speedway, which loaded some 20,000 cases of liquor, ostensibly for Mexico and southern ports.

The Speedway was formerly an American ship and came up here about the middle of last October. She was tied up at Vancouver for some time before being offered for sale. It was then understood that she was to be used for liquor traffic. The failure to make a sale was due, it was alleged, to the fact that she was of American registry. As such she could be taken anywhere on the high seas by American patrol ships if she had contraband on. Under American law she could not be transferred to foreign registry if sold in the ordinary channels of trade.

Shortly afterwards she was seized for debt and sold by the sheriff to Vancouver interests. Thise forced sale permitted the new owner registering her as he desired. She is now British.

PROVINCE REPORT WAS TRUE VERSION

The Province report of what Premier Oliver said at the meeting of the Vancouver Liberal Association recently in regard to the opening of the Peace River is as follows:

"Mr. Stevens," he concluded "accuses me of opposing the Brule Lake route. As to this, I wish to tell you that a year ago, engineers of the Canadian National favored that route, but they have changed their minds. Sir Henry Thornton told me so only last week. I think that justifies my position last year when I asked that before a decision was reached, more data on the subject be first obtained."

WALKED THE FLOOR FOR HOURS NERVES WERE SO BAD

Wherever there are people who are troubled with deranged nerves they will find in Milburn's Heart and Nerve Pills a remedy that will restore the equilibrium of these deranged centres and bring back the shattered nervous system to a perfect condition.

Mrs. W. W. Aulthouse, Woodrous, Ont., writes:—"After having a severe attack of bronchitis I was left in a very weak, run-down condition; my nerves were all broken up; could not sleep at night, and would have to get out of bed and walk the floor for hours.

"After using a box of

MILBURN'S HEART AND NERVE PILLS

I began to feel much better, and after taking a few more boxes I could enjoy my rest as well as I ever did. I always recommend them to all my friends."

For sale at all druggists and dealers; put up only by The T. Milburn Co., Limited, Toronto, Ont.

ALDER MADE GOOD RUN OAK BAY MUNICIPALITY

Newspapers from the south show that W. J. Alder, formerly of this city, who was contesting the reeveship of Oak Bay against Herbert Anscomb, polled a large vote and came dangerously close to being elected. The majority of his opponent was only 64.

A. Lockley was beaten in Esquimalt by 48.

GREAT WAR VETERANS AND GROTTO PLAYED CLOSE AT BILLIARDS

The Great War Veterans won last night's first division billiard tournament over the Grotto by an aggregate score of 1185 to 1132. The tobacconists gave their opponents a good run and, though defeated on the total, won three of the five games.

Individual scores were as follows:

Col. S. P. McMordie (Great War Veterans) 250; Don Brown (Grotto) 200.

Sgt. Jebson, 250; George Waugh, 182.

Dr. West, 227; E. Pearce, 250

Fred Pyle, 238; Bert Morgan, 250.

Percy Tinker, 220; W. Stewart, 250.

The high break of the evening was made by Sgt. Jebson. He completed his game with a run of 44 which he extended into 82 over and above.

League standing to date follows:

	Games	Tll.	Ave.
P. R. B. P.	5	5940	1188
G. W. V. A.	5	5841	1168

Sport Chat

Whether or not the spectacular slump that the Great War Veterans have suffered recently will be continued when that team meets the Canadian Fish & Cold Storage Co. in the second division billiard league contest tonight will be a point of interest. The men from Seal Cove are rather deep in the cellar now but, at the rate the Vets have been going of late, they are apt to have competition for that particular place. The whole second division situation is attracting a good deal of interest just now in view of the fact that three teams—Billiard Parlor, St. Andrew's and Grotto—are disputing leadership honors. The clean sweep of the St. Andrew's on Tuesday put them only a few points behind the Billiard Parlor while the Grotto are not so very far behind the Scots.

The following billiard games are to be played tonight in the second division tournament between the Great War Veterans and Canadian Fish & Cold Storage Co.

Dr. West vs. J. May.
H. F. Wearmouth vs. W. Parr.
E. Fenelon vs. A. Bales.
S. L. Warrior vs. J. Bulger.
J. Fleming vs. W. Barton.
