CRIPPLED BY RHEUMATISM

—now enjoys long walks, thanks to "Fruit-a-tives"

MR. ALEXANDER MUNRO

"For over three years I was confined to bed with Rheumatism. I tried nearly everything without receiving any benefit. Finally I tried "Fruit-a-tives"—half a box brought improvement and continued treatment made me well. Now, I can walk several miles, and do chores around the place" —Mr. Alexander Munro, Lorne, Ontario.

Rheumatism is the direct result of a poisoned blood stream. "Fruit-a-tives" act as a restorative to the liver and kidneys; cleanse the blood stream and make digestion complete. "Fruit-a-tives" act as a bracing tonic too. They are the famous fruit treatment for all intestinal complaints. 25c and 50c boxes from all dealers, or mailed direct by "Fruit-a-tives" Limited, Ottawa, Ont.

HIPPO ISLAND IS BUSY PLACE

Trollers Nearly all There Just Now Catching Spring Salmon

(Special to Daily News)

SKIDEGATE, May 16.—Hippo Island is now the busiest place on the Queen Charlotte Islands. Boats from Prince Rupert, Vancouver, Victoria, Massett and Skidegate are all collected there, as they do every May, June and July to troll for the spring salmon, the king of all the salmon.

The skipper of the Canadian Fish & Cold Storage boat Chief Cabassa, Bert Hanson, was the first buyer on the grounds this year and he picked up about 30,000 pounds.

The first run has fallen off quite a bit but the fishermen expect another big run when the tides fall off.

The price paid here just now is nine cents a pound.

At Seal Inlet, ten miles from Hippo there are three buyers for the Canadian Fishing Co., a branch of the New England Fish Co. their boats being the Bethune, Nortonian and Overtime. They are packing their salmon to Butedale.

Monday a humpback salmon was caught with a spoon which goes to show that these salmon do not go very far from the islands.

Some Japanese buyers have been here this week with the boat Nikko.

J. P. Dover of Skidegate was in during the week with the trolling boat Greyfish.

BIG DEMAND ON STRAWBERRIES

Local Merchants Selling Fruit Before it Arrives— Changes in Vegetable Market

There is a great demand for strawberries which made their first appearance of the season during the last week. Many local merchants were yesterday taking advance orders for a limited quantity that arrived on this morning's steamer. Strawberries, coming from California and Oregon, are today selling for 25c a basket in retail stores. They are of exceptionally good quality.

Orange prices are advancing. The Navel season is nearly over and Valencias will be arriving at lower prices shortly. Lemons and grapefruit are also higher with big demand for the former.

Up river shipments of rhubarb are due within the next few days and local prices will drop with the arrival of the northern stock.

There are a number of changes in the vegetable market with the arrival of new season stocks including small beets, carrots, etc., in bunches. Prices in most lines are a good deal higher as last year's stock becomes exhausted.

Egg prices have started to climb and, from reports on stocks in storage, demand exceeds supply and a high market can be looked for. Flour has been going up lately and there has been a stiffening on meats.

Retail prices prevailing here today are as follows:
