SERVICE NOT SERVITUDE

Has it ever occurred to you that the multitude of "Household Helps" offered for sale are of themselves lifeless and incapable of service unless controlled and directed by the already overburdened housewife.

Laundry service alone is alive, vital, imposing no new obligations, and asking nothing but your friendly disposition, to change servitude into service.

BIG RAINFALL DURING YEAR

Total Precipitation for 1924 was Over Average—Three Wet Months Caused it

January, February and October having been unusually wet months, the total rainfall for the year 1924 in Prince Rupert of 103.16 inches is considerably over the average for the past ten years. The highest thermometer reading of the year was on July 25 when the mercury went up to 80 degrees; the lowest reading of the year was on December 15, 5 above zero.

PRINCE GEORGE

Claud Foot and his daughter, Vera, returned from Quesnel on Tuesday following the burial service of the late Mrs. Foot in the town of her birth.

Charles A. Pyne, manager for northern British Columbia for the Sovereign Life Assurance Company, has left for Winnipeg where he will attend a conference of the provincial managers of his company.

There was a small gasoline fire in the city hospital on Wednesday morning when gasoline used for heating sterilizing equipment took fire. The nurses sent in a call for the fire department and then proceeded to organize their own forces and had the fire out before the department arrived.

Ole Holt, an old time trapper and timber man of the Loos district, was brought into the city hospital on Monday by Corporal Van Dyk of the provincial police. He is over seventy years of age, is in poor health and is destitute.

The first annual masquerade ball of the local Great War Veterans, held on Christmas night, proved one of the most enjoyable affairs ever held in the city. The prize-winners were: Pat Wilson, early Victorian lady; Jane Wilson, Harem lady; and Mrs. Demas, pierrot lady; P. E. Wilson, Indian medicine man; Harry Kennedy, sheik; and P. Howlett, Charlie Chaplin.

Sport Chat

There is a move on foot in Great Britain to democratize polo. At the present time gates of the polo fields are opened only to club members and their invited friends and the general public is barred. The idea is to change the method of carrying on the game altogether and put the control into the hands of some national organization. The selection of international teams by the exclusive clubs, it is claimed, has not been conducive of bringing out the best talent.

Race horses found the track at Latonia, Kentucky, much to their liking during the 1924 season, two official world records and five track records going down under the hoofs of sterling runners, a review of the records made on the Kentucky track reveals. In addition to the two world records, Sarazen, Mrs. William K. Vanderbilt's three-year old colt, established an official record of 2:00 4-5 for the mile and a quarter in winning the third International Special on October 11.

Billiard League meeting will be held in the G.W.V.A. Rooms at 9 p.m. on Sunday. Several matters of importance will be voted on and the matter of the City Championship will be taken up. All captains and one delegate from each team are requested to attend.

MANY CLAIMS TO VALUABLE LEGACY

Correct Use of Famous Title has Encouraged Pretenders

About the year 1880 the pioneer prospectors of British Columbia discovered a remarkable coal. After many trials and tests it was positively established that this coal represented the acme of economy, efficiency and comfort.

To this fuel they gave the new famous name of "Nanaimo-Wellington," representing all that was best in coal.

No sooner was it found that the public insisted on getting this Wonder Fuel than other coals were put on the market under very similar names. So much so that the public were at a loss to say which was the genuine and which the imitation. Of course it was easy after a trial —a single sack will prove it — more lasting and more powerful heat from a few shovelfuls, hardly any ash, no clinker or rock, all these points stand out when you make a practical test in furnace, fireplace, heater or cook-stove.

This famous Nanaimo-Wellington coal is sold only by Albert & McCaffery to whom all orders should be phoned direct. Prompt delivery service given by their own teams and trucks. Their phone numbers are 116 and 564. tf
