SOFTBALL IS PLAYED

Pirates Defeat Giants in High School League, 8 to 3

Yesterday in the High School Softball League the Pirates won for the first time when they defeated the Giants with little trouble.

In the first inning the honors went to the Giants who brought in their three runs. The Pirates retaliated in the second when three men crossed the home plate. The next two innings were uneventful, neither side making any exceptional plays.

In the last inning the Pirates drove home five runs. Under this onslaught the Giants went to pieces and made numerous field errors.

The strong field support and good batting of the Pirates gained them the victory. The Giants, who usually play a strong game, were off color in the field and ragged at bat.

The batteries, for the Pirates were Kanaya and Postulo, while Dominato and Kishimoto formed the Giants' battery.

Teams were as follows:

Pirates—Kanaya, p.; Ivarson, lf.; Nakamoto, lss. (capt.); Postulo, c.; N. Allen, cf.; Kirkendall, 2b.; Santerbane, 3b.; Morgan, 1b.; Vance, rf.; Walters, rss.

Giants—Abney, lf.; Smith, 3b. (capt).; S. Nakamoto, cf.; Dominato, p.; Blake, 1b.; Forbes, 2b.; Suehiro, rf.; Unger, lss.; T. Johnstone, rss.; Peachy, rss.

BASEBALL MEETING

Prince Rupert Unable to Have Ketchikan Here For July 1 But May Go North For July 4

In view of the fact that the Canadian National Recreation Association plans to take a large picnic to Terrace on July 1, the executive of the Prince Rupert Baseball Association, at a meeting last night, decided that it would be inadvisable to bring a Ketchikan baseball team here for the Dominion Day celebration this year. However, if Ketchikan still desires a Prince Rupert all-star team to go there for July 4 on the basis of the $300 guarantee which has been suggested, it was decided tentatively that the locals would make the trip with the possibility of a return series here later in the season, possibly at fair time.

The opening of the Senior League here has been now set for tomorrow evening when Sons of Canada and Empress will meet. Mayor C. H. Orme will pitch out the opening ball.

H. G. Kennedy, vice-president, was in the chair at last night's meeting in place of Ald. G. W. Rudderham, who was unable to attend.

SPORT CHAT

FOOTBALL
Merchants vs. Can. Legion
TONIGHT - 6:45

Nova Scotia's anglers who had been nursing their fishing tackle and rubber boots for more than a month whipped the streams with a vengeance on Sunday, May 1, the opening day of the trout and salmon season. There were some, however, who were perturbed by reports in Halifax papers of Saturday stating that it was illegal to fish on the Sabbath. There was no federal law to that effect, the anglers knew, and they doubted if any such provincial law could be enforced. By Tuesday the argument was interesting, and the Halifax Daily Star that day dug up a quaint old pre-confederation law that might be construed as prohibiting fishing on the Sabbath and which has not been repealed. This law regarding the desecration of the Sabbath is to be found in Chapter 159, Revised Statutes of Nova Scotia, third series. Section 2 of the act reads:

"Of offences against religion: Any person who shall be convicted before a Justice of the Peace of shooting, gambling or sporting, or of frequenting tippling houses, or of servile labor, works of necessity and mercy excepted, on the Lord's Day, shall, for every such offence, forfeit not less than $1.00 or more than $8.00 and, in default of payment, shall be committed to jail for a term not less than 12 hours nor more than four days." The fact that this law, proclaimed in the pre-confederation days of pounds, shillings and pence, was made to read in dollars and appeared in the Revised Statutes of 1900 was the Star's basis for the presumption that there was some intention of keeping it as one of the laws of the province.

Then the Star did a little speculating: "It is quite specific about 'shooting' and it has been argued that 'sporting' includes fishing. 'Sporting' is a comprehensive term and, if it includes fishing, it also includes motoring for pleasure, golfing, canoeing and any other form of sport, as banned of a Sunday. If it means that, the law is archaic and should be made specific or repealed. Under the regulations of the Fisheries Act, a federal law is no prohibition of Sunday fishing, except for a local regulation regarding salmon fishing and applicable only in Restigouche County, N.B. Under this Nova Scotian pre-confederation law, still on the provincial statute books, an angler might be successfully prosecuted. He is within the federal law, but may be violating the provincial law. It is an anomalous situation. The tangle should be straightened out."

HIGH WINS IN SOCCER

Booth School is Defeated 7 to Nil In Junior Football

High School registered another decisive victory over Booth in last evening's regular Junior Football League fixture, winning by seven goals to nil. The game was actually a well contested one but, when it came to shooting, High had the direction and more especially the power to make their shots tell whereas Booth was weak in shooting and Morgan was not severely tested.

Wilson scored the first with a very high dropping shot that managed to land in the goal mouth. Gomez nearly equalized but Morgan just go there first. Play was fairly even with Ritchie playing a fine game at left back for Booth and Gomez getting through a tremendous amount of work. High players kept their positions much better with the result that few balls were wasted and Cromp pushed his passes forward in pretty style. Ivarson was a rare source of danger.

With the second half barely under way, Ivarson flashed in a splendid long drive that Blake had no chance with. Later on, the goalie seemed slow at a couple of shots that produced goals but ran out to push a hard cross and later fielded a high dropping shot in a capable way. Colussi and Gomez made headway and Booth was value for a goal but could not make the final drive and the ball was cleared. The game was always interesting but Booth was held scoreless.

Goal scorers were: Ivarson, 4; Wilson, 1; Santurbane, 2.

Booth—D. Blake; Eby, Ritchie; DeMarco, Gomez, Fulton; Nelson, Gillis, Colussi, Lear, McMeekin.

High—Morgan; Williscroft, Fisher; Dungate, Cromp, Faw; Nakamoto, Wilson, Ivarson, Santurbane, Christison.

Referee, W. W. C. O'Neill.
