CAT'S MIXED FAMILY

At Broad Oak, Leigh, near Utoxeter Staffs, England, a cat belonging to Mr. Gallimore has adopted two chickens and two wild rabbits in addition to her own family of four kittens.

HEART WAS WEAK NERVES ALL GONE

Mrs. J. H. Hallenbeck, 117½ Welland Avenue, St. Catharines, Ont., writes:—"I was in a gas explosion; it left me with a weak heart, and my nerves were all gone. I suffered everything; couldn't sleep, or endure any excitement, and when left alone I felt as if I could scream. I took dizzy spells, often falling and bruising myself. My mother read about your Milburn's Heart and Nerve Pills, and bought me a box, but having taken so many different kinds of medicine it just seemed that I did not have any confidence in any of them. I took one box of H. & N. Pills, and felt so much better I continued with them until I had used five boxes, and after I had taken them I did not need any more. I cannot praise, or recommend, Milburn's Heart and Nerve Pills too highly after all they have done for me."

CONSERVATIVE LEADER FOR ALBERTA SOUGHT

Successor to W. J. Blair Likely To Be Chosen for Province Soon.

EDMONTON, June 30.—At a recent meeting of the Edmonton Provincial Conservatives association it was decided to request the Hon. R. B. Bennett, K. C., president of the Alberta Provincial Conservative association, to call a convention during the second week in August, and at the same meeting it was also decided to call a conference of the supporters of the party in northern Alberta. This conference will be held at the Macdonald hotel at 9.30 a.m. on Thursday, July 16. Supporters of the party are requested to be in attendance at this conference, which will be held during the Edmonton exhibition week.

It has been felt by many Conservatives for a considerable time that steps should be taken to select a leader in succession to W. J. Blair, who resigned the leadership in December last owing to continued ill-health.

This conference is the result of repeated demands from many Conservatives throughout the northern part of Alberta that immediate action should be taken to organize the party, and prepare for the next provincial election, which many feel is to be held shortly, but which in any event must take place within the next twelve months.

FAITHFUL HISTORY

"Now, children," said the teacher, "write down all you have learned about King Alfred, but don't say anything about the burning of the cakes; I want to find out what else you know."

Half an hour later a scholar handed in his effort:

"King Alfred visited a lady at a cottage, but the less said about it the better."

D. H. Hartness, principal of Booth School, is leaving this afternoon for Victoria, where he will take a special course at the teachers' summer school.

Adam Mackie, Fisheries Inspector, left for the south today on the Cardena.
