OPEN DAY AND NIGHT

SPORT CLIPPINGS

Tommy Burns thought at first that he would be able to make Bayley fight at terms which gave every advantage to the promoters. Manager Condon soon made the former world's champion climb down.

In Dubbie Kerr, whom Manager Lester Patrick has signed for the Victoria professional hockey club this winter, the Senators are securing one of the most finished players that ever handled a stick.

Pal Brown, whom Joe Bayley fights on Thanksgiving Day, has a grand record, including a decision over Billy Allen. Bayley is expected by the K.O. route.

It looks as if Dai Thomas and his Welsh rugby players will carry off the Victoria title. The Law Students, however, will give them a strong argument for the championship.

Benny Erb, of Victoria, was a star in Saturday's game between the Australians and Stanford University, which was won by the former team 6 to 0. The open work of the Australians greatly impressed the spectators.

Tom Richards, of the touring Australian Rugby team, is known as the best forward in the world. He starred in Saturday's contest against Stanford University.

Cyclone Scott, Joe Bayley's sparring partner, will probably appear in one of the preliminary bouts at Calgary, on the date that Bayley fights Pal Brown.

Crookall, the Vancouver amateur, will probably be seen with Con Jones's twelve next summer. His speed makes him another Fitzgerald.

Chance for Al. Palzer.

San Francisco, Oct. 18.—If Al. Palzer, heavyweight, can be induced to sign articles for a 20-round battle here on Thanksgiving Day with Luther McCarty, the bout will be staged by Eddie Grane.

McCarty's decisive victory over big Al. Kaufman showed him to be a boxer of promise, and the fans are eager to see him perform again. McCarty is said to be anxious to meet Palzer.

BAYLEY-BROWN
GO CANCELLED

Minnesota Lightweight Refused to Make Weight for Thanksgiving Day.

Victoria, Oct. 17.—The Thanksgiving Day fight, which it was proposed to stage at Calgary between Joe Bayley and Pal Brown, is off. Tommy Burns, the promoter, wired Morris Condon that Brown absolutely refused to make the weight of 133 pounds at ringside, and the champion won't meet the Hibbing challenger under any other conditions.

In his message Burns asked Bayley's manager whether Fighting Dick Hyland would do as a substitute, and Condon has answered in the affirmative. Thus if Hyland can make the weight, Bayley will fight in Calgary on the 29th, despite Brown's withdrawal. The exact terms as set forth by Condon for the Bayley-Brown contest are demanded in the new contest, and Burns says he will meet them.

ROAST FOR REFEREE

But Edmonton Fight Fans Disagree with Newspaper Critic.

Edmonton, Oct. 18.—The Edmonton Journal makes a rabid attack on Referee Woody for his decision in the Scaler-Barrieau bout, claiming that Scaler was the victor in every round but one. The general public who witnessed the bout strongly condemned the article as unfair. The Bulletin and the Daily Capital both agree with the referee in his decision, the latter paper summing up the battle as Scaler the best fighter and Barrieau the best boxer. It awards him the eleventh round and gives Scaler credit for a draw on account of his aggressiveness in the last four rounds.

JACK JOHNSON MAY
SPAR IN VANCOUVER

An effort is to be made to have Jack Johnson, heavyweight champion of the world, appear in a boxing exhibition in Vancouver on his way to Australia. Johnson is scheduled to leave by way of Vancouver the end of the month, and if it is possible he will appear in a bout here with his sparring partner, Johnson boxed at the Vancouver Athletic Club on his return from Australia after beating Tommy Burns.

Common Prayer

A sermon was being preached on purity of heart, and the words came fast and eloquent:

"Oh, Lord, give us pure hearts, give us clean hearts, give us sweet hearts"—and every man in the congregation fervently responded: "Amen."

Ladysmith Merchant Killed.

Nanaimo, Oct. 15.—News was brought to town of the tragic death of Mr. Gus Hill, well known as a former grocer at Ladysmith, where he had resided for some considerable time. Deceased had been employed at the logging camp at Chemainus, and whilst details are lacking as to the manner of his death, it is believed that the unfortunate man was killed through being crushed by timber. He leaves a wife and family, all residents of Ladysmith.

Be Suspicious

BE suspicious of that of which nobody is proud. Be suspicious of the mere low-price argument offered in favor of an article with no reputation, no backer, no guarantor.

Better buy the thing you know and can trust, than an article unbranded and unvouched for.

The branded shoe, made by a maker with a reputation, is a safer shoe to buy than the one made in an unknown factory by an unknown maker.

The underwear made by a firm whose name is as familiar to you as your own, is worth more to you than underwear nameless or labelled by a maker of whom you have never heard.

Tea sealed in a packet bearing the name of a reputable firm is to be preferred to tea of which the packer is not sufficiently proud to advertise its quality.

That in which much money has been invested to make or keep it good is worth more than that on which nothing or but little has been spent.

Peace of mind is worth something, just as quality is. Buy peace of mind.

When you buy anything worth while buying, buy that of which you know—from advertisements, or from other dependable acquaintance. Buy the article with the "money back" guarantee—with the pledge of a known name behind it.

Put your faith in the advertisements appearing in good newspapers. Beware of the article that cannot stand the spot-light of publicity. The commodity an advertiser backs with his own money is something worth your buying.

Advice regarding your advertising problems is available through any good advertising agency or the Secretary of the Canadian Press Association, Room 503 Lumsden Building. Enquiry involves no obligation on your part—so write, if interested.
