MILBURN'S HEART AND NERVE PILLS

Mrs. F. H. Miller, 1843-11th Ave. East, Vancouver, B.C., writes:—"Five years ago my husband suffered terribly with severe attacks of palpitation of the heart and smothering spells, and two doctors stated that he could not possibly live six months.

A friend recommended Milburn's H. and N. Pills, with the result that my husband is still enjoying life at the age of 84 years.

He has improved so wonderfully that he can now climb the stairs without having those awful pains in his heart."

SALARY IS INCREASED

Council Decides to Give Mr. Crewe $175 Instead of $150 Per Month

The city council, on recommendation of the Board of Works, decided last night to increase the salary of H. O. Crewe, acting city engineer, from $150 to $175 per month.

Ald. McMordie suggested that, in order to avoid difficulties that might arise later if it was decided to appoint a permanent engineer other than Mr. Crewe, it might be well to make the increase in salary effective only for such time as he was acting engineer. He (Ald. McMordie) was heartily in accord with the increase as he had been the first one to suggest it. His suggestion was made merely to avert difficulties that might arise in the future. Ald. Stephens agreed with Ald. McMordie's suggestion.

Ald. Casey and Ald. Larsen, however, saw no necessity for such provision and Ald. McMordie did not press his suggestion.
