GOT IT—Winnipeg Blue Bombers didn't need this touchdown pass when they swamped the Saskatchewan Roughriders 35-6 at Winnipeg. Halfback Jerry Palmer made this spectacular catch behind the Saskatchewan goal line after Jack Jacobs had thrown a low ball. (CP Photo)

Canada's Fliers Win Ball Title

NORTH LUFFENHAM, England (CP)—The baseball season is over at Canada's No. 1 Fighter Wing but they're still talking about the RCAF's accomplishments.

The North Luffenham sluggers won the Harvey trophy, which means top honors in the Nottingham City Baseball League, and were finalists in the Midland county playoffs.

In fact, the fliers lost only three games out of 23—and of those two were at the hands of the championship Lakenheath Pirates of the United States Air Force. They were undefeated in the Nottingham City League of seven teams, six of which are English.

That record is not bad for a bunch of RCAF youngsters who formed their ball club in May of this year. Team manager is Flt. Sgt. Frank Golding, son of Senator W. H. Golding, Seaforth, Ont.

Canadians chosen for the Midland County All-stars team were: Golding; Lac. L. G. Barton, Halifax; (captain). M. L. Maracle, Point Anne, Ont.; Lac. R. Girard, Windsor, Ont.; Lac. G. B. Folker, Hantsport, N.S.; Cpl. D. V. Foley, Peterborough, Ont.; Cpl. A. L. Knapik, Outlook, Sask.; Lac. R. A. Park, Cochrane, Alta.

B.C. Teachers Reach Objectives

LIVERPOOL, N.S. (CP)—British Columbia teachers have reached many of their objectives in their campaign to assure a sound professional status, C. D. Doans, general secretary of the British Columbia Teachers' Federation, said here.

In an address to three locals of the Nova Scotia Teachers' Union, Mr. Doans said research efforts, skillful use of public relations, and sacrifice of money and time was bringing the profession to a stage where it attracted young men and women.

Through larger education districts and fewer school boards, the tax burden on ratepayers has been equalized and the salary scale has become the high-

Ill Housewife Cremates Self In Oil Furnace

MILWAUKEE (CP)—A medical examiner's office here said a 44-year-old housewife, despondent over ill health, carefully removed her wedding ring, then cremated herself in the oil furnace of her home.

Detectives said Mrs. Marguerite Albert apparently turned off the master switch of the furnace and set the thermostat at 76 degrees, warmer than house temperature. A rubber band and a stout cord were found attached to the switch and hanging on the front of the furnace door.

Detectives said Mrs. Albert climbed into the furnace and pulled the cord to the master switch before closing the furnace door.
