MORE COMPLICATED

The provincial political situation is becoming more complicated by the announcement by Premier Tolmie that he will continue with his plan to form a union government directly after the Legislature rises. The announcement as telegraphed here did not say he would hold a Conservative convention, as previously planned, to consider the union proposal.

The next group to hear from will be the diehard Conservatives. Will they swing in with one of the union groups or will they run a ticket of their own?

There has been no change in the Liberal plan. The leader of that party was given power at the big Liberal convention to take into his cabinet men from any party if he considered it wise to do so. That left the gate open for union with any persons who might be sympathetic to the reform movement irrespective of previous party affiliation. It did not anticipate union with people or parties out of sympathy with the Liberal movement toward setting the wheels of industry in motion once more by placing more buying power in the hands of the mass of the people.

ELECTION MUST BE SOON

While it is possible that no one knows yet just when the election will be held, it undoubtedly will be soon and it may be sooner than many people think. Premier Tolmie has nothing to lose by bringing it on according to schedule. It is very desirable that at a time like this the matter should be settled definitely. The present dying administration is as helpless as was the expiring Hoover administration in the United States. What is needed is a new person at the helm of the ship of state. That new person may be Pattullo or Bowser or Bruhn or some other person not yet announced but he must be a person of great energy, of great ability, of clean record and of wide influence else the last state of provincial affairs will be worse than the first. The old policy of drift has kept us back. It is time now that we had a forward policy, pressed with vigor and backed by the great mass of the people.

CARNIVAL AT SMITHERS

Hockey and Ice Races Entertain Crowd at Interior Town

Staged by the High School Athletic Association, a highly successful carnival was conducted at the Smithers skating rink on Monday night, with two hockey games and a series of racing events providing interest and amusement for a fair turn out of the local fans, says the Interior News. The garrulous disposal of hot puppies lent a carnival air to the occasion, and the whole affair ended with a nice little deposit in the sock of the association.

Turning in a surprise to spectators the public school hockey team walked all over their high school students as opposition. At no time were the public school boys in trouble, and they won by the score of five to nothing, all being indicative of the play.

Two teams of high school students performed in the feautre hockey tilt, being representative of the Elks and the Legion. Although the Legion was in the game every minute and dangerous at all times, they were out-scored by eight to three.

Races, frontwards and backwards, were on the card, Dan Foster romping over the finishing line in both the events, and J. Dunlop coming second.

Charley Bowland won the race in which there were many and intricate obstacles, with W. Watson second. Three teams participated in a relay race that was close all the way.

C. N. Basketball Team

When the C.N. basketball team
takes the floor,
And the score begins to mount
up,
Their skill, speed and rare combination,
That's what brought home the
cup.

Back on the bench sits the Thinker
Who does all the brain work,
they say;
What a cinch for the basketball
players—
All they've got to do is to play.

Now I'll let you in on a secret
That I've never told to my wife.
The coach of the C. N. basketball
team
Never played a game in his life.

Just let other folks do the talking;
Don't try to run any bluff;
Whether on business or pleasure
ure
Keep quiet; look wise; that's the
stuff.

Turned in to the C.N.R.A. Bulletin by Jack Campbell.

SPORT CHAT

Tomorrow night is the big game between Vancouver and the local boys and all the hoop fans are looking forward to a night of real fast ball. With the line-up that the C.N.R.A. here have the visitors will be given a peppy run, no matter what style of ball they play. From all reports the Vancouverites play a fast game but the local C.N. boys have displayed some fast ball in the past year. So all that can be said is that it will be a game of exceptionally high calibre.

As an extra to the card on Wednesday night an exhibition game will be played between the Comets and the Cardinals, with all the assurance of them fighting point for point.

Sunday was a bad day for skiing but still some of the more energetic sport lovers climbed Mount Oldfield for their week-end of winter frolic.

Youth still holds the trophy in badminton circles against all opposition. R. Allen and B. Tobey have held the men's doubles championship for several years now and they look Prince Rupert's best bet in badminton. It is too bad that some outside competition can not be arranged so that the local champions might show their skill.

Gregalach, the 1929 winner of the Grand National, is favorite for the 1933 running of the famous steeplechase on March 24 over the four and one-half mile course. Gregalach is quoted in the latest callover at 9 to 1, just slightly lower odds than that given on Golden Miller which has hitherto been the leading choice.

TENNIS CLUB OFFICERS

Enthusiastic Gathering at Annual Meeting Held Last Night

Prince Rupert Tennis Club held their annual meeting in the City Hall last night. There was a large turn-out of members and a very enthusiastic meeting followed. It was the opinion of the members that this year's tennis activities promise to be of the best. The main business of the evening was the election of officers for the coming year. The following were chosen:

President, Alex Mitchell.
Vice-president, Jack Hinton.
Secretary-treasurer, Phil Edgcumbe.
Executive—Miss L. Frizell, E. Wilding, B. Currie, R. Greggor and F. E. Robertson.

After considerable discussion it was decided to reduce the membership fees.

District News

SMITHERS

Loren Jackson Thornton, a well known resident of Smithers and widely known in the territory of Burns Lake, died suddenly at the farm home of George Shepherd at Quick on Tuesday night.

High school and public school basketball teams of Smithers made a trip to Telkwa to engage in a series with teams of that town. The high school girls were defeated by the home team, but both the high school and public school boys won their games from Telkwa.

Miss Yvonne Agnew left on the Thursday morning train for Prince Rupert, where she underwent a successful operation for appendicitis in the care of Dr. Hankinson.

Constable Malcolm Martin arrived at Smithers from Bella Coola this week, having been appointed to succeed Constable Smith on the provincial police force at this point. He was accompanied by Mrs. Martin and child, and they will take up their residence on Third Avenue.

Thanks to Life Insurance . . . kept in force

This Family is Safe . . . .

IN this home you can see Life Insurance doing its finest work—providing food, shelter and clothing for a family which has lost its breadwinner.

And here, too, you can see why Life Insurance is an absolute necessity—an asset which no man should endanger.

Some day *your* Life Insurance may be needed to save *your* family from cold and hunger—to keep your home intact—to give your children a fair chance in life.

Think of these things, and you will guard the Life Insurance you now own—and add to it at every opportunity.

22,000 FAMILIES
"FATHERED" BY LIFE INSURANCE IN 1932
More than 22,000 Canadian homes, affected by the death of the breadwinner in 1932, received from Life Insurance financial assistance to carry on.
