## NEWS NOTES OF THE GREAT WEST

In Calgary excavation has been commenced for a ten-story block, to contain stores, offices, and a modern vaudeville theatre. The cost, when completed, will be between \$750,000 and \$1,000,000.

The Anglican church congregation of Edmonton have purchased 200 feet frontage, and will erect a \$90,000 church thereon. The tannery plant opened this spring already finds it necessary to erect an extensive addition as the business has outgrown its capacity.

The ore production from the Boundary and Kootenay mines last week was over 50,000 tons. Demonstrations at Nelson prove the existence of platinum ores in the province.

The city council of Saskatoon is considering the installation of a \$60,000 garbage incinerator.

All records in Winnipeg for grain movement were broken the other day when 1,342 cars were inspected. Nearly all the wheat was of milling grades. All grain is showing remarkably high grade.

A new rink has been announced for Fort William, to cost \$7,000.

### "Uncle Jerry" Arrived Today.

Mr. J. Kugler, known to nearly all residents of Prince Rupert as "Uncle Jerry," and one of the most popular and enterprising real estate men that this city has ever had, arrived on the Prince George this morning from Vancouver. Mr. Kugler is making a flying trip up to New Hazelton, in which place he is heavily interested. He will leave on tomorrow's train and will endeavor to return on Sunday, in time to catch the Prince Rupert going south on Monday next.

### Busy Scene on Waterfront.

The G. T. P. tug Escort No. 2 arrived in the harbor yesterday with an unusually heavy tow, consisting of the barge North Bend, the car barge Georgian No. 2 and the Ocean Falls barge No. 1, all bearing lumber for the Lester W. David Co., Ltd. With all the craft and the large steamer Crown of Galacia, together with the Prince George and the British Empire, lying at the waterfront this morning, it made a busy looking scene.

### Declares Dividend.

The British Columbia Copper Company, Ltd., whose operations are carried on in the Greenwood mining district, have just declared a fifth quarterly dividend of 3 per cent, at New York under date of October 15th. This is of interest to a large number of old residents of the Boundary country at present located in Prince Rupert, as showing the progress and development going on in mining in that part of the province.

### Dies from Cramp.

One of the settlers on the Klene-a-Klene River informs us that an Indian, One Eye by name, having his home in that locality, was found dead near the bank of the river. He had been missing for about three weeks, his two daughters and their husbands, with another Indian, Tulin, had been hunting for him. They found him with his clothes tied around his neck. The theory is that in fording the stream he was attacked by cramps and died after reaching the bank.—Bella Coola Courier.

### Before the Cadi.

Two Indians were up before Magistrate Carss this morning on the charge of being drunk. One was fined \$10 and \$2 costs, the other being held to endeavor to find out who supplied him with the liquor. John Duggan, on a charge of vagrancy, was given thirty days in the city bastille.

Archdeacon Collison returned this morning on the Prince George from Vancouver, where he has been attending a meeting of clergy in connection with the establishment of the Anglican theological college at Point Grey, the beautiful suburb of Vancouver.
